## **Barn Entries**

- Barn entries are used to order stalls, shavings, camper spots, etc. and are separate from horse entries. Barn entries are typically used by trainers to order a large quantity of these items in advance before individual horse entries are made.

- When you click on “Create New Online Entry” you will indicate whether you want to make a Horse Entry or a Barn Entry. If you choose Barn Entry, the fees will be displayed and you can indicate the quantity of each you want to reserve.
- It is possible to transfer some or all the barn fees to one or more people who will pay for them.
