I. INTRODUCTION

The Walking Horse Owners’ Association (WHOA) was organized in 1975. The WHOA Board of Directors is composed of twenty-six members. As part of its duties, the WHOA Board establishes and formulates the issuing of a WHOA Rulebook, the licensing of WHOA judges, and the affiliation/sponsorship of WHOA horse events.

In order to effectively carry out its duties, WHOA has prepared and published this Rulebook. It is virtually impossible to cover all eventualities in the formation of rules and regulations to govern any working organization, therefore, WHOA has the ultimate responsibility of interpreting the meaning and intent of these Rules and its decision on any matter shall be final.

These Rules may be changed and amended from time to time by the WHOA Board of Directors. Any such changes shall be published on the WHOA website and breed publications. It is the responsibility of each owner, trainer, breeder, and exhibitor to know the Rules of WHOA. Therefore, each should check with the WHOA website or contact the office on a periodic basis to ascertain whether or not there have been any Rule changes which may affect them. The WHOA office will be happy to assist you at any time. We also welcome your comments and suggestions.

Please read all cross-references carefully.

standards of welfare, safety, and health are maintained at all WHOA events.

Developing and enforcing stringent rules that govern the exhibiting, judging,

4. Class Interruptions. In the event that a class, in which horses or exhibitors compete, whether together or individually, is stopped while in progress due to storm, accident or other emergency, the following procedure shall govern:

   a. If the class is continued at a succeeding session of the show, it shall be held over in its entirety.

   b. If classes are postponed to a day not included in the original show dates, exhibitors are entitled to a refund of entry fees and are relieved of any obligation to show back in postponed classes.

   c. The conditions under which a challenge trophy may be retired shall not be changed without the consent of the trophy donor or his or her legal representative and of all previous winners who have qualified as potential winners of such trophy, except in the event that the conditions stipulated are in conflict with the current Rules of WHOA. In such an event, the Show Committee shall confer with WHOA Rulebook as to procedure.

11. Time Schedules.
   a. The announced order or time for classes shall not be changed unless notice is given to exhibitors, Judge(s) and DQP(s) affected.

   c. When it is found that a class is being delayed by horses not being ready to perform, the entrance gate may be closed at the order of the Judge(s) or Show Management, provided warning is issued and exhibitors are given three minutes in which to appear at the entrance gate ready to participate. 8. **Unpaid Accounts.** Any exhibitor, owner or trainer who fails to pay any account(s), fines or service charge due to Show Management, Horse Sales Management or WHOA shall be subject to suspension by WHOA. Upon receipt of notice that a trainer, exhibitor or owner has not paid all accounts or charges owed as a result of participation in said show or sale, WHOA shall notify said person, firm or corporation that settlement must be made within fifteen (15) days or he, she or it shall be suspended until said accounts or charges are paid in full. If a person other than an owner, exhibitor or trainer was responsible for making said charges at any show or sale, then the owner, trainer or exhibitor on whose behalf said charges were made shall be subject to suspension until said account is paid in full.

In the Lite Shod Division, which is divided into Lite Shod and Classic Lite Shod, the same procedure is suggested.
C. ATTIRE AND REQUIREMENTS FOR EXHIBITORS

In keeping with tradition and the policy of WHOA, all riders, drivers and handlers must be correctly attired for the classes in which they compete. All attendants must be neatly dressed and all grooms be properly attired when entering the show ring. Any attire advertising a horse is prohibited in the show ring. Show management may, at its discretion, bar any entry or person from entering the ring if not suitably presented to appear before an audience. The exhibitor’s hair must be neat and well-groomed, long hair should be styled so that the back number can be easily seen. Safety helmets are allowed in all classes on any exhibitor.

Any exhibitor not meeting attire requirements must be penalized in final judging.

Correct attire for Walking Horse presentation consists of the following:

1. ENGLISH ATTIRE:
   In all classes exhibitors wear a Saddle Suit consisting of a long fitted coat and jodhpurs (jods), which are close fitting pants with knee patches and bell-bottoms that go over the boots, with a strap or underpass that goes under the boot to keep the pants from riding up the leg when in the saddle. For men, the coat length stops just above the knee. For women, depending on the height of the woman, the coat may be below the knee, though exact length varies as show ring fashions change. Jodhpur boots that come just over the ankle, a hat, a vest, tie, and gloves complete the show ring attire.
   
   a. English Riding Habit (Saddle Suit).
   b. English Spurs (Use of spurs is optional).
   c. Riding Boots.
   d. Pant tie downs, or underpasses.
   e. Gloves (optional).
   f. Hats (homburg, top hats, derby, snap brim or safety helmets),
   **Optional for all Ladies, Youth Female, Youth Male up to 12 years of age.

2. WESTERN ATTIRE:
   Unlike English attire, which is generally quiet and understated, Western attire is intended to draw attention. Saddles, bits and bridles are frequently outfitted with silver. The rider’s clothing may feature vivid colors, and even rhinestones or sequins. Hats and chaps are often color coordinated with brightly decorated belts and buckles. It is important to remember when judging that silver tack should not be given preference over good working tack.
a. Western Style long sleeve, collared shirt  
b. Western Style long pants  
c. Western hat or a safety helmet  
d. Riding boots  
e. Western scarf or bolo for men  
f. Optional Western attire – chaps, spurs, coat, vest, jacket or gloves  

Casual attire (consisting of collared shirt, long pants and boots) is allowed at WHOA Versatility/ Fun Day shows at the discretion of show management.  

3. COMMUNICATION DEVICES:  
These devices are allowed only for exhibitors 11 years and under. The exception to this rule is that 11 years and under exhibitors showing in Versatility, Showmanship, or Equitation classes may not use communications devices. Communication devices are prohibited for all other exhibitors. Exception: Special Needs Exhibitors.  

D. GENERAL REQUIREMENTS AND EQUIPMENT FOR HORSES  

1. All entries shall be clean, neatly trimmed, in good flesh presenting a healthy appearance, and outfitted in clean and appropriate tack.  

2. All horses must use an English saddle, except where division or class rules permit otherwise.  

3. Standard Walking Horse Single Rein Bridle and Bit. While any standard Walking Horse bit may be used, a gag bit with no shanks is not considered a standard Walking Horse show bit. Severe bits are discouraged and bleeding of the mouth or muzzle must be penalized in the final judging. Shanks in excess of 9½ inches in length are prohibited on Flat Shod Horses. Shanks are measured from the very top of the metal to the very bottom of the metal, including the rings to which the cheeks and reins are attached. Quick-change bridles and reins are not permitted.  

4. Blinders of any type are not permitted on the show grounds at any time. Exception: Partial blinders are allowed in driving classes. Refer to penalty section.  

5. Riding horses in leg wraps is prohibited. Longeing in leg wraps is permitted.
6. Names of horses, stables, trainers or exhibitors are prohibited on show equipment in the show ring; however, inconspicuous nameplates on bridles and saddles are acceptable. Failure to observe this Rule is cause for dismissal from the show ring of the entry in violation or of the entry of the stables whose name is observed in the ring.

7. Artificial Markings and Appliances. Any change in color of markings other than mane or tail is prohibited. Only clear grooming materials are allowed on the hide, hair and hooves. Black or opaque hoof polish is prohibited. All artificial appliances other than those set forth in this section are prohibited. Refer to penalty section.

8. Whips. Whips of four feet or less including the snapper are allowed in any class where English attire and equipment are used. Whips up to six feet in length are permitted in any class in which the horse is driven, no lashes or appendages or any other appliances of any kind are permitted to be attached to the whip. A whip of this kind is not permitted in a warm up ring or show ring. No whip or any other item may be handed across the rail to an exhibitor.

9. If the back number of the exhibitor is missing when entering the ring it must be handed to the ringmaster to be given to the exhibitor. No item may be used, inside or from outside the ring, while showing a horse, except one whip per handler, no longer than four feet, including the snapper. Refer to penalty section.

10. Hoof Bands. Metal hoof bands, such as used to anchor or strengthen pads and shoes are not permitted. Hoof bands are prohibited and are not allowed on show grounds.

11. Toe Measurement. Toe length must exceed the height of the heel by one inch or more. The length of the toe shall be measured from the coronet band (where hard and soft material meet), at the center of the front pastern along the front of the hoof wall to the end of the toe.

12. Pads are not allowed on Yearling Horses, and any horseshoe on yearling horses shall not weigh more than 16 ounces. All horses must be flatshod, or barefoot.

13. Insertion of Material Between the Hoof and the Shoe. Any object or material inserted between the shoe and the hoof is not permitted.

14. Weight Bearing Surface. The weight bearing surface of the shoe that is in contact with the hoof must be level.

15. Lead or Other Weights. Lead or other weights are prohibited. Hollowed shoes or artificial extensions filled with mercury, tungsten or similar substances are prohibited.

H. PROFESSIONAL AND AMATEUR STATUS

**Note: The following rules will be enforced at all WHOA sponsored or affiliated horse events. Refers to any breed of horse, not just the TWH.**

1. PROFESSIONALS:

Duties: A professional shall be responsible for the care, condition, welfare, training, custody, and performance of a horse. Professionals are obligated to fully understand the rules of the affiliation (s) under which they show, including the penalties and restrictions. A professional who does not exhibit horses shall still be knowledgeable concerning the breed standard and the affiliations associated with the breed. In addition, a professional must obtain, maintain, and declare a professional or non-amateur status with WHOA. All professionals must present their WHOA professional membership card at all WHOA horse events.

a. Definition: A professional is an individual who:

Accepts payment for employment in connection with horses at a show (includes grooms, assistants, paid catch riders).

Accepts payment for exercising, schooling, riding, exhibiting, and driving. This includes exchanges of services, compensation, and/or bartering.

May not exhibit in any amateur classes

Is a halter professional.

Is a professional for any breed horse

May have declared in writing (see procedure below) a desire to re-obtain amateur status.

Riding instructors who teach students and do not train horses are only allowed to show their own horses or an immediate family members’ horse in amateur classes or AOT/OAT classes. Riding instructors may exhibit a client’s horse in an open class without jeopardizing their amateur status. Riding instructors may not exhibit a lesson/students horse (leases or co-ownership are not allowed) in amateur classes.
**Note: Exception to professional status: A person can retain their amateur status if they only receive payment for boarding horses, standing a stallion or giving riding lessons as previously stated.

b. CHANGE OF PROFESSIONAL STATUS: Any professional that desires to be reclassified as an amateur based on the grounds that he/she no longer engages in the activities that made him/her a professional must notify the WHOA office in writing of this wish and send this notice via certified mail to the WHOA office. After such notification has been received and approved by WHOA, an interim card shall be issued. This interim card shall be used as an official classification of the applicant and shall be presented and recorded on WHOA entry forms at WHOA shows. This interim card shall contain the applicants’ name, date issued, and duration of the waiting period. The applicant must be a member of WHOA to obtain this card.

Definition of the waiting period: The waiting period is the period of time until amateur status can be fully obtained. During this interim/waiting period, the professional is restricted from exhibiting in any amateur class (see schedule below). The waiting period is as follows: Training less than 13 months: The applicant must sit out 2 years and have an active interim card. Training equal to or greater than 13 months: The waiting period is 5 years and applicant must have an active interim card during this period.

**Note: The burden of proof of proving amateur status is on the applicant. WHOA reserves the right to investigate disputes and applicants may need to provide financial records/proof of ownerships, etc. if needed. Falsifying information will result in a 2-year suspension and up to a $5,000.00 fine. Subject stays suspended until fine is paid. No exceptions. Final determination of professional or amateur status shall be made by the WHOA Executive Director and the WHOA Rules Committee.

c. RELATIVE OF A PROFESSIONAL: (see definition of immediate family in Section IV, Page 7)

Any adult who is an immediate family member of a professional may exhibit their own or their immediate family’s horses in open or amateur classes. Provided the adult immediate family member is not a professional himself or herself. They may not show customer horses from
any training facility in amateur classes whether co-owned or leased horses.

Any youth 12-17 years of age who is an immediate family member of a professional may exhibit their own or their immediate family’s horses in youth or amateur classes. This same youth may exhibit a customer’s horse in amateur or open classes. However, this same youth may not exhibit a customer’s horse in youth classes. **Exception:** Youth related to a professional may exhibit their own or immediate family member’s horse in the All Day Pleasure division.

**Note: Exception:** A trainers’ immediate family member may exhibit a customers’ horse or co-owned horse in an open class and not jeopardize their amateur status.

2. AMATEURS

a. **Definition of Amateur Exhibitor**

A person is an amateur who, after his/her 18th birthday, does not engage in any activities, which would cause him/her to be classified as a professional.

b. **Definition of Youth Exhibitor.**

Any person who has not reached his/her 18th birthday is declared to be a youth exhibitor. For horse show purposes, a youth exhibitor is an individual who, on January 1st of the show year, has not yet reached his or her 18th birthday. If an exhibitor is 17 on January 1st and turns 18 on January 2nd, the exhibitor is still eligible to show as a youth exhibitor all that year.

To be eligible to show in amateur and/or youth exhibitor classes at WHOA horse events, every amateur and youth exhibitor must have a current WHOA Membership, WHOA Youth Membership, or WHOA Temporary Membership. These must be renewed each year. Amateur and youth exhibitor applications should be made to the WHOA containing the name of the applicant, address, date of birth, telephone number (including area code), email address and accompanied by the required fee. The WHOA Membership Card Rule will be enforced.

c. **The following shall not affect amateur status:**
Standing a breeding stallion, buying/selling, and boarding horses does not affect a person's amateur status.

The writing of books or articles for horse show purposes

The acceptance of remuneration for judging or serving in the capacity of DQP

The reimbursement of exhibitor for expenses without profit

The acceptance of a small token of appreciation, other than money for exhibiting.

If there is a question of whether a person is a professional or an amateur, final determination shall be made by the WHOA Executive Director and the WHOA Rules Committee.

Anyone who requests a person to exhibit in an Amateur Class and then pays or remunerates that person in excess of what is allowable shall be subject to disciplinary action by WHOA. Refer to the penalty section.

**VII. FLAT SHOD GAIT AND DIVISION DESCRIPTIONS AND REQUIREMENTS**

There are four distinct gaits that the Flat Shod TWH performs in the show ring:

**The flat walk** is a bold four beat step with each foot leaving and striking the ground separately at regular intervals. The pattern for this step is left hind foot, left front foot, right hind foot, right front foot, creating a square four beat step. The forelegs should move straight, breaking at the knees and reaching forward. The motion of the hind foot moving over the front track creates overstride. The rear legs should follow through close to the ground in a comfortable overstriding step. In the flat walk the horse should have a vertical head nod from the withers, nodding up and down where the neck and head moves, not just the head. The horse should carry his neck higher than his topline, but not so high that there is straining or hollowing out in the back.

**The running walk** should have an increase in speed with the same motion of the legs and head as the description of the flat walk with minimal transition between the gaits. There should be no sacrifice of form with the increase of speed.
The **canter** of the TWH is a forward 3-beat movement performed with a diagonal movement either to the right or left. If the movement is to the right the horse should start left hind leg, right hind leg and left fore leg together, the right fore leg. The movement to the left is right hind leg, left hind leg and right fore leg together, the left fore leg. To be performed correctly in the show ring the horse should lead with his fore leg to the inside of the ring.

The **trail walk** is a relaxed walk with a loose rein and no appearance of strain on the part of horse or exhibitor. The horse should be content, manageable and smooth.

All TWH Flat Shod horses perform all gaits (flat walk, running walk, canter and trail walk), associated with the TWH breed without the use of tungsten, lubricants, artificial appliances, boots, pads, bands, braced tails or any type action device. The length of the toe, exclusive of the shoe, shall not exceed 5 inches measured from the coronet band, at the center of the front pastern along the front of the hoof wall. Hoof bands are not allowed on the grounds at any WHOA event.

In all Flat Shod TWH classes the horses should never show tendencies to pace, trot or rack. The horses should perform all gaits with the hind legs in a forward motion never with vertical hock motion or with hind legs “out behind” itself. In all Flat Shod TWH classes manners are paramount, horses should stand quietly and back readily. In all gaits, form should never be sacrificed for speed.

Any Flat Shod horse is considered to have an unacceptable image if it exhibits stiff front legs, cramped rear leg motion, laboring, stumbling, unevenness in its way of going, quick flipping of its front feet, or landing on its heels, or repeatedly rocks back in the lineup.

A. **FLAT SHOD TWH DIVISIONS**

1. **CLASSIC PARK DIVISION**

a. The **Classic Park** horse must display a true four beat gait at the flat walk and running walk. The Classic Park horse will have a more defined flat walk and running walk which should include a longer stride with the rear legs, more animation with the front legs and a pronounced head shake. The Classic Park horse will be more animated than the Lite Shod horse.

b. In English classes the Classic Park horse should be high headed with an alertness sought after in the show ring. English tack must be used in this class.
c. In Western classes the Classic Park horse should have a natural headset and work on a lighter rein than in the English classes. These along with neck reining are qualities that set the western horse apart from the English horse (all horses 6 and over must neck rein). A 360 degree neck reined turn to the right or left at the exhibitors discretion may be called for at the judges’ discretion in Western classes for aged horses 6 years and over. Western tack must be used in this class.

d. Shoeing: A maximum $\frac{1}{2}$” thick x 1 $\frac{1}{2}$” wide hot or cold rolled steel or aluminum shoe. Borium is allowed on the caulks and toes of the shoe. The thickness of the shoe, caulk and borium together must not exceed 1 1/8” thick. A maximum 1 5/8” turn back (measured from the front to the back of the caulk) is allowed. Clips are optional when drawn from the original steel or poured.

The initial shoe size on Classic Park horses that they are wearing at the beginning of Class #1 of a show cannot be changed if desiring to show in Lite Shod. Classic Park horses may exhibit in Lite Shod classes if shoeing criteria is met for the Lite Shod Division at the beginning of the first class at that show. Classic Park horses are not allowed to show in any other Flat Shod classes (Trail Pleasure, Classic Trail Pleasure, Country Pleasure, Classic Country Pleasure, All Day Pleasure or Classic All Day Pleasure) at the same show, but they are eligible to show in Halter, Showmanship, Equitation and Versatility classes at the same show. See chart on page 62.

2. LITE SHOD DIVISION

a. LITE SHOD

i. The Lite Shod horse must display a true four beat gait at the flat walk and running walk. The Lite Shod horse should be light and airy with its front legs and exhibit a long gliding over stride with a defined flat walk and running walk. It should display a cadenced headshake in rhythm with its legs. The Lite Shod horse will be slightly less animated than the Classic Park horse but more animated than the Classic Light Shod horse.

ii. In English classes the Lite Shod horse should be higher headed showing brilliance and a presence sought after in the show ring. The horse should be manageable on a light to moderate rein. Only English tack should be used in this class.
iii In Western classes the Lite Shod horse should have a lower headset and work on a lighter rein. These along with neck reining are qualities that set the western horse apart from the English horse (all horses 6 and over must neck rein). A 360 degree neck reined turn to the right or left at the exhibitors discretion may be called for at the judges’ discretion in Western classes for aged horses 6 years and over. Only western tack should be used in this class.

iv **Shoeing:** A maximum ½” thick x 1” wide hot or cold rolled steel or aluminum shoe (both front and hind feet) with a maximum 1 1/2” turn back (measured from front to back of the caulk) is allowed. Borium is allowed on the caulks and toes of the shoe, but the thickness of the shoe, caulk and borium must not exceed 1 1/8” thick. Clips are optional when drawn from the original steel or poured.

Lite Shod Pleasure horses may show up in Classic Park classes at the same show but are not allowed to show in any other Flat Shod classes (Trail Pleasure, Classic Trail Pleasure, Country Pleasure, Classic Country Pleasure, All Day Pleasure or Classic All Day Pleasure) at the same show, but they are eligible to show in Classic Lite Shod, Halter, Showmanship, Equitation and Versatility classes at the same show. See chart on page 62.

b. **CLASSIC LITE SHOD**

i The **Classic Lite Shod** horse must display a true four beat gait at the flat walk and running walk effortlessly displaying elegance and classic beauty with a balanced head nod. The Classic Lite Shod horse should be collected and well balanced with less shoulder or knee lift than the Lite Shod. The Classic Lite Shod horse should break higher with its front legs in all gaits than the Trail Pleasure horse.

ii In English classes the Classic Lite Shod Pleasure horse should have a higher head carriage exerting energy through light collection. Only English tack should be used in this class.

iii In Western classes the Classic Lite Shod horse should have a lower headset and work on a lighter rein than in English class. These along with neck reining are qualities that set the western horse apart from the English horse (all horses 6 and over must neck rein). A 360 degree neck reined turn to the right or left at the exhibitors discretion may be called for at the judges’ discretion in Western classes for aged horses 6 years and over. Only western tack should be used in this class.
iv **Shoeing:** A maximum of 3/8” thick x ¾” wide with up to a 1/16” variance hot or cold rolled steel or aluminum shoe (both front and hind feet). Borium is allowed on the caulks and toes of the shoe, but the thickness of the shoe, caulk and borium must not exceed 7/8” in thickness. Maximum 1 ½” turn back (measured from front to back of caulk). Clips are optional when drawn from the original steel, or poured.

**Classic Lite Shod may show up in the Lite Shod and Classic Park classes at the same show. See chart on page 62.**

3. TRAIL DIVISION

a. TRAIL PLEASURE

i The **Trail Pleasure** horse must display the true four beat gaits at the flat walk and running walk. The Trail Pleasure horse should move in an alert, determined and forward manner with an ample and cadenced head shake. The Trail Pleasure horse should move with ease, overstride and lift of the shoulders on a light rein. While animation typical of the Lite Shod and Classic Lite Shod horse is not desirable in the Trail Pleasure horse there should be a brilliance in the action of the horses movements. The Trail Pleasure horse should canter in a relaxed manner with no sign of effort from the exhibitor. Trail Pleasure horses may be asked to trail walk and halt while exhibiting at the judges’ discretion.

ii In English classes the Trail Pleasure horse should be higher headed and alert. Only English tack should be used in this class.

iii In Western classes the Trail Pleasure horse should display a slightly lower more relaxed headset and be ridden on a light rein. These along with neck reining are qualities that set the western horse apart from the English horse (all horses 6 and over must neck rein). A 360 degree neck reined turn to the right or left at the exhibitors discretion may be called for at the judges’ discretion in Western classes for aged horses 6 years and over. Only western tack should be used in this class.

iv **Shoeing:** A maximum of 3/8” thick x ¾” wide with up to a 1/16” variance hot or cold rolled steel or aluminum shoe (both front and hind feet). Borium is allowed on the caulks and toes of the shoe, but the thickness of the shoe, caulk and borium must not exceed 7/8” in thickness. Maximum 1 ½” turn back (measured from front to back of caulk). Clips are optional when drawn from the original steel, or poured.
Trail Pleasure horses are not allowed to show in any other Flat Shod classes (Classic Park, Lite Shod, Classic Lite Shod, Country Pleasure, Classic Country Pleasure, All Day Pleasure or Classic All Day Pleasure) at the same show, but they are eligible to show in Classic Trail Pleasure, Halter, Showmanship, Equitation and Versatility classes at the same show. See chart on page 62.

b. CLASSIC TRAIL PLEASURE

i  The **Classic Trail Pleasure** horse must display the true four beat gaits at the flat walk and running walk. Good manners and smooth performance are more important than brilliant action in the Classic Trail Pleasure horse. The front legs should not break more than 45 degrees from vertical, therefore, animation seen in the Trail Pleasure horse is not desirable in the Classic Trail Pleasure horse and should be penalized. The Classic Trail Pleasure horse should move with an ease geared toward stamina and longevity on the trail on a loose rein. The Classic Trail Pleasure horse should be relaxed and have a pronounced and a cadenced head nod coming from the shoulders as a result of timing from the hind quarters and not from simple flexion at the poll. The Classic Trail Pleasure horse should canter in a relaxed form with no sign of effort from the exhibitor. Classic Trail Pleasure horses may be asked to trail walk and halt while exhibiting at the judges’ discretion.

ii  In English classes the Classic Trail Pleasure horse should be higher headed and alert. Only English tack should be used in this class.

iii  In Western classes the Classic Trail Pleasure horse should display a slightly lower more relaxed headset and be ridden on a loose rein. These along with neck reining are qualities that set the western horse apart from the English horse (all horses 6 and over must neck rein). A 360 degree neck reined turn to the right or left at the exhibitors discretion may be called for at the judges’ discretion in Western classes for aged horses 6 years and over. Only western tack should be used in this class.

iv  **Shoeing:** A maximum of 3/8” thick x ¾” wide with up to a 1/16” variance hot or cold rolled steel or aluminum shoe (both front and hind feet). Borium is allowed on the caulks and toes of the shoe, but the thickness of the shoe, caulk and borium must not exceed 7/8” in thickness. Maximum 1 ½” turn back (measured from front to back of caulk). Clips are optional when drawn from the original steel, or poured.
Country Pleasure horses are not allowed to show in any Classic Park, Lite Shod, Classic Lite Shod, Country Pleasure, Classic Country Pleasure, All Day Pleasure or Classic All Day Pleasure at the same show, but they are eligible to show in Trail Pleasure, Halter, Showmanship, Equitation and Versatility classes at the same show. See chart page 62.

4. COUNTRY DIVISION

a. COUNTRY PLEASURE

i The **Country Pleasure** horse must display a true four beat gait at the flat walk and running walk. The Country Pleasure horse should display slightly less shoulder lift and animation with its front legs than the Classic Trail Pleasure horse. This horse should be balanced with a pronounced and cadenced head nod when considering gait, form and rhythm. The Country Pleasure horse should be manageable on a light rein. Horses may be asked to trail walk and to halt and stand quietly on a relaxed rein at the judges’ discretion. Keeping in mind this is a horse in the show ring, therefore neatness and manners are paramount.

ii In English classes the Country Pleasure horse should have a natural headset. A caveson may be used on the Country Pleasure horse in English tack. Only English tack should be used in this class.

iii In Western classes the Country Pleasure horse should display a slightly lower headset than in English classes. Exhibitors are not required to neck rein in this class. A caveson may be used on a Country Pleasure horse in Western tack. Exhibitors are allowed to use a hand on each rein in Western classes. A 360 degree turn to the right or left at exhibitors discretion may be called for at the judges’ discretion in Western classes for aged horses 6 years and over. Only western tack should be used in this class.

iv **Shoeing:** An unaltered, factory stamped keg shoe (poured or cast) hot or cold rolled steel or aluminum light horse breed (non draft breed) non toe-weighted shoe is allowed. Poured or cast clips if poured in the original cast (may not be welded on). Poured or cast heels/caulks if poured in the original cast (may not be welded on). Borium is allowed on the toe 1 ½” wide at the toe and spots on the heels no more than 1/8” thick.
b. CLASSIC COUNTRY PLEASURE

i The **Classic Country Pleasure** horse does not exhibit shoulder lift, but must display a true four beat gait at the flat walk and running walk with a cadenced head nod. The Classic Country Pleasure horse should be balanced when considering gait, form and rhythm. The Classic Country Pleasure horse must be manageable on a light rein at all gaits. The canter must be relaxed and consistent with no sign of rushing or pumping on the exhibitor’s part. Horses may be asked to trail walk and to halt and stand quietly on a relaxed rein at the judges’ discretion. The Classic Country Pleasure horse should be relaxed, content and under control by the exhibitor at all times.

ii In English classes the Classic Country Pleasure horse may wear a caveson with only English tack.

iii In Western classes the Classic Country Pleasure horse may wear a caveson with only western tack. Exhibitors are not required to neck rein in this class. A 360 degree turn to the right or left at the exhibitors discretion may be called for at the judges’ discretion in Western classes for aged horses 6 years and over.

iv **Shoeing:** An unaltered, factory stamped keg shoe (poured or cast) hot or cold rolled steel or aluminum light horse breed (non draft breed) non toe-weighted shoe is allowed. Poured or cast heels/caulks if poured in the original cast (may not be welded on). Borium is allowed on the toe 1 ½” wide at the toe and spots on the heels no more than 1/8” thick.

Classic Country Pleasure horses are not allowed to show in any Classic Park, Lite Shod, Classic Lite Shod, Trail Pleasure or Classic Trail Pleasure, All Day Pleasure or Classic All Day Pleasure at the same show, but they are eligible to show in Country Pleasure, Halter, Showmanship, Equitation and Versatility classes at the same show. See chart on page 62.

5. ALL DAY DIVISION

a. ALL DAY PLEASURE
These classes are open to all gaited horses. The horses in these classes are not required to be registered in any breed association. The All Day Pleasure and Classic All Day Pleasure classes are designed to encourage participation from exhibitors who may be new to the show ring or the exhibitor who wants to show their typical “all day pleasure” horse. These classes are open to amateur and youth exhibitors only.

i  The All Day Pleasure horse should transition between gaits smoothly and immediately. The All Day Pleasure horse must stand still on a loose rein at the halt and in the lineup. The All Day Pleasure horse must back calmly and readily. The pleasure gait should be on a light rein with trail walk on a loose/draped rein. The All Day Pleasure horse should move quietly forward in an alert manner. The All Day Pleasure horse exhibits ease of gait on a light rein, smoothness is paramount when judging as this trait makes horse a pleasure to ride all day. Any bouncing swaying or undulating motion by the rider or gripping tightly on the reins is to be penalized. It is not necessary for this horse to walk or shake. The difference in the All Day Pleasure and Classic All Day Pleasure is the All Day Pleasure carries a larger shoe and has an extended gait.

ii  There are three gaits associated with the All Day Pleasure classes: the pleasure gait, the trail walk and the extended pleasure gait (at judge’s discretion). The pleasure gait is performed at an average tempo and the extended pleasure gait at a moderate speed and can be a variation of any saddle horse gait with no preference given to any particular gait over another. The gait should be consistent, balanced and possess smoothness and manageability to emphasize “all day” longevity making it a comfortable and easy ride. Form must not be sacrificed for speed when judging the gaits of the horse. Excessive animation and stride are not desired in the pleasure gait.

iii  Exhibitors may use two hands with English or Western tack and a caveson or noseband may be used with English or Western tack.

iv  Shoeing: A maximum of 3/8” thick x ¾” wide with up to a 1/16” variance hot or cold rolled steel or aluminum shoe (both front and hind feet). Borium is allowed on the caulsks and toes of the shoe, but the thickness of the shoe, caulk and borium must not exceed 7/8” in thickness. Maximum 1 ½” turn back (measured from front to back of caulk). Clips are optional when drawn from the original steel, or poured.

All Day Pleasure horses are not allowed to show in any Classic Park, Lite Shod, Classic Lite Shod, Trail Pleasure, Classic Trail Pleasure, Country Pleasure, or Classic Country Pleasure, at the same show, but they are eligible to show in Classic All Day Pleasure (if all shoeing criteria are met), and also in Halter, Showmanship, Equitation and Versatility classes at the same show, provided they are registered horses. See chart on page 62.
b. CLASSIC ALL DAY PLEASURE

The Classic All Day Pleasure horse is one that is truly a pleasure to use on the trail. The Classic All Day Pleasure horse must stand still on a loose rein at the halt and in the line up. The Classic All Day Pleasure horse must back calmly and readily. This horse must not exhibit any nervous tendencies or seem rushed. This horse should move quietly with no balking. The Classic All Day Pleasure horse should transition between gaits smoothly and immediately.

i There are two gaits associated with the Classic All Day Pleasure horse, the pleasure gait and the trail walk, both performed on a loose rein. The pleasure gait is performed at a moderate speed and can be a variation of any saddle horse gait with no preference given to any particular gait over another. The gait should be consistent, balanced and posses smoothness and manageability to emphasize “all day” longevity making it a comfortable and easy ride. Excessive animation and stride are not desired in the pleasure gait.

ii Exhibitors may use two hands with English or Western tack and a caveson or noseband may be used with English or Western tack.

iii **Shoeing:** An unaltered, factory stamped keg shoe (poured or cast) hot or cold rolled steel or aluminum light horse breed (non draft breed) non toe-weighted shoe is allowed. Poured or cast clips if poured in the original cast (may not be welded on). Poured or cast heels/caulks if poured in the original cast (may not be welded on). Borium is allowed on the toe 1 ½” wide at the toe and spots on the heels no more than 1/8” thick.

Classic All Day Pleasure horses are not allowed to show in any Classic Park, Lite Shod, Classic Lite Shod, Trail Pleasure, Classic Trail Pleasure, Country Pleasure, Classic Country Pleasure, at the same show, but they are eligible to show in All Day Pleasure, and also in Halter, Showmanship, Equitation and Versatility classes at the same show, provided they are registered horses. See chart on page 62.

B. SHOWMANSHIP AND EQUITATION DIVISION

1. SHOWMANSHIP

Showmanship at Halter
Available in the adult and youth divisions.

a. **CLASS DESCRIPTION:** The showmanship class shall be designed to evaluate the exhibitor’s ability to execute, in concert with a well-groomed and conditioned horse, a set of maneuvers prescribed by the judge with precision and smoothness while exhibiting poise and confidence, and maintaining a balanced, functional and fundamentally correct body position.

It is mandatory that the judge post any pattern(s) to be worked at least one hour prior to the commencement of the class. Pattern(s) should be designed to test the exhibitor’s ability to effectively present a horse to the judge. All ties will be broken at the judges’ discretion.

b. **CLASS PROCEDURES:** All exhibitors may enter the ring and then work individually or each exhibitor may be worked from the gate individually. When exhibitors are worked individually from the gate, a working order may be required. The following maneuvers are considered acceptable: lead the horse at a walk, running walk or intermediate gait, or back in a straight or curved line, or a combination of straight and curved lines; stop; and turn 90 (1/4), 180 (1/2), 270 (3/4), 360 (full turn) degrees or any combination or multiple of these turns. The judge must have exhibitors set the horse up squarely for inspection sometime during the class.

c. **PRESENTATION AND POSITION OF EXHIBITOR:** Clothes and person are to be neat and clean. Exhibitors may show in either English or Western attire and appointments, but never a combination of both. Exhibitors should be poised, confident, courteous and genuinely sportsmanlike at all times, quickly recognizing and correcting faults in the positioning of the horse. The exhibitor should continue showing the horse until the class has been placed or they have been excused, unless otherwise instructed by the judge. The exhibitor should appear business-like, stand and move in a straight, natural and upright manner, and avoid excessive, unnatural or animated body positions.

The exhibitor must lead on the horse’s left side holding the lead shank in the right hand near the halter with the bight of the lead neatly coiled in the left hand. It is preferable that the exhibitor’s hand not be on the snap or chain portion of the lead, and to do so should be penalized. When leading, the exhibitor should be positioned between the eye and the midpoint of the horse’s neck, referred to as the leading position.
Both arms should be bent at the elbow with the elbows held close to the exhibitors' side and the forearms held in a natural position. Height of the arms may vary depending on the size of the horse and exhibitor, but the arms should never be held straight out with the elbows locked. The position of the exhibitor when executing a turn to the right is the same as the leading position except that the exhibitor should turn and face toward the horse's head and have the horse move away from them to the right.

When executing a back, the exhibitor should turn from the leading position to face toward the rear of the horse with the right hand extended in front of the exhibitor’s chest still maintaining slight bend in the elbow and walk forward. Ideally, the exhibitors’ left shoulder to be in alignment with the horses’ left front leg.

When setting the horse up for inspection, the exhibitor should stand angled toward the horse in a position between the horses’ eye and muzzle, and should never leave the head of the horse. The exhibitor must use the Quarter Method (see diagram) when presenting the horse. The exhibitor should maintain a position that is safe for themselves and the judge. The position of the exhibitor should not obstruct the judge’s view of the horse and should allow the exhibitor to maintain awareness of the judge’s position at all times. The exhibitor should not crowd other exhibitors when setting up side-by-side or head-to-tail. When moving around the horse, the exhibitor should change sides in front of the horse with minimal steps and should assume the same position on the right side of the horse that they had on the left side. Leading, backing, turning and initiating the set-up should be performed from the left side of the horse. At no time should the exhibitor ever stand directly in front of the horse. The exhibitor should not touch the horse with their hands or feet, or visibly cue the horse. Whips are prohibited.
d. **PRESENTATION OF THE HORSE:** The horses’ body condition and overall fitness should be assessed. Horses may be presented in either English or Western tack, depending on the attire of the exhibitor, but never a combination of both. A well-fitted halter will be used. When exhibiting in a halter, a chain shank may be used in a humane manner, but never through the mouth. The hair coat should be clean, well-brushed and in good condition. The mane, tail, forelock and wither tuft must be well conditioned and groomed. The length of mane and tail may vary, as long as they are neat, clean and free of tangles. The bridle path, eyebrows, and long hair on the head and legs may be clipped, except where government regulations prohibit. The hooves should be properly trimmed and if shod, the shoes should fit correctly and clinches should be neat. Hooves must be clean and may be with hoof dressings, or shown naturally. All tack should fit properly and be neat, clean and in good repair. Horses shown under English tack should be braided with ribbons as is customary for that discipline, while horses shown under Western tack should show as tradition allows.

e. **PERFORMANCE:** The exhibitor should perform the work accurately, precisely, smoothly, and with a reasonable amount of speed. Increasing speed of the work increases the degree of difficulty, however, accuracy and precision should not be sacrificed for speed. The horse should lead, stop, back, turn and set up willingly, briskly and readily with minimal visible or audible cueing. A severe disobedience will not result in a disqualification but should be penalized appropriately, and the exhibitor should not place above an exhibitor that completes the pattern correctly. Excessive schooling or training, willful abuse, loss of control of the horse by the exhibitor, failure to follow prescribed pattern, knocking over or working on the wrong side of the cones shall be cause for disqualification.

The horse should be led directly to and away from the judge in a straight or curved line and track briskly and freely at the prescribed gait as dictated by the pattern. The horse’s head and neck should be straight and in line with the body. All halts should be straight, prompt, smooth and responsive with the horse’s body remaining straight. The horse should back readily with the head, neck and body aligned in a straight or curved
line as instructed. Pull turns to the left should be 90 degrees or less. For turns of greater than 90 degrees, the ideal turn consists of the horse pivoting on the right hind leg while stepping across and in front of the right front leg with the left front leg. An exhibitor should not be penalized if their horse performs a pivot on the left hind leg, but an exhibitor whose horse performs the pivot correctly should receive more credit.
The horse should be set up quickly with the feet squarely underneath the body. The exhibitor does not have to reset a horse that stops square.

When posed, the western horse (stock type) should stand square, with all four legs squarely under the body. The English horse should stand with feet slightly spread and head up, but never over-stretched.

f. **SCORING:** Exhibitors are to be scored from 0 to 100 with 70 denoting an average performance. Whole and half point increments are acceptable. Run content scores will be indicated as follows:

An additional + (Excellent) or – (well below average) may be given.

i **Overall Presentation of Exhibitor and Horse:** The exhibitor’s overall poise, confidence, appearance and position throughout the class, and the physical appearance of the horse will be evaluated.

ii **Faults:** Faults can be classified as minor, major or severe. The judge will determine the appropriate classification of a fault based upon the degree and/or frequency of the infraction.

(a) Minor faults

Break of gait at walk, running walk, or intermediate gait for 1 stride  
Sliding a pivot foot or lifting foot and replacing in same place

(b) Major faults

Not performing gait or not stopping within 5 feet of designated area  
Break of gait at walk, running walk, or intermediate gait for more than one stride
Splitting the cone
Picking up a pivot foot
Picking up a foot after presentation
Over/under turning 1/8 to 1/4 of designated turn

(c) Severe Faults (avoids disqualification but should be placed below other exhibitors that do not incur a severe fault) include:

Out of position during presentation
Exhibitor touching the horse or kicking or pointing their feet at the horse’s feet during set up
Standing directly in front of the horse
Loss of lead shank or holding chain or two hands on shank.
Severe disobedience including rearing or pawing, horse kicking at other horses, exhibitors or judge
Horse continuously circling the exhibitor

(d) Disqualifications (should not be placed) include:

Loss of control of horse that endangers exhibitor, other horses or exhibitors
The horse escaping from the exhibitor
Failure of exhibitor to wear correct number in a visible manner
Willful abuse
Excessive schooling or training, or use of artificial aids
Knocking over the cone or going off pattern
Never performing specific gait
Over turning more than 1/4 turn of designated turn

g. SUGGESTED FINAL SCORING: Final scoring shall be on a basis of 0–100, with an approximate breakdown as follows:

90-100 Excellent showmanship, including body position and presentation of horse. Completes pattern accurately, quickly, smoothly and precisely; demonstrates a high level of professionalism.

80-89 Above average performance in execution of the pattern as well as correct showmanship and presentation of horse. Excellent showman that commits a minor fault.

70-79 Average pattern execution and average showmanship; lacking adequate style and professional presentation to merit elevating to the next scoring range. Above average showman that commits a minor fault.

60-69 Below average pattern that lacks quickness or precision. Horse with consistently unwilling attitude or handler with obvious position and/or presentation faults that prevents effective showmanship. An
average showman that commits two minor faults in the performance of the pattern. An excellent showman that commits a major fault.

50-59 One major fault or multiple minor faults in the performance or presentation or position of exhibitor that precludes effective communication with the horse.

40-49 Severe fault, two or more major faults, or multiple minor faults in the performance or the execution of the pattern and demonstrates a lack of handling ability and knowledge of correct body position.

10-39 Exhibitor commits more than one severe fault or multiple major faults in performance or position but completes the class and avoids disqualification.

2. WALKING SEAT EQUITATION

a. CLASSES

i  Walking Seat Equitation Exhibitors 11 and Under Specialty

ii  Walking Seat Equitation Exhibitors 12-17 (Canter or Specialty)

iii  Walking Seat Equitation Championship (Canter or Specialty)

iv  Walking Seat Equitation Adult Riders (Riders 18 years or older (Canter or Specialty)

b. GENERAL INFORMATION

i  It should be stressed that the required Equitation Walking Seat is a natural, coordinated and comfortable riding position and should in no way be rigid or exaggerated. Any stiffness or exaggeration of the rider should be penalized. Any bumping, pumping or extreme use of aids and body should also be penalized.

ii  A rider should convey the impression of effective and easy control, with the general appearance of being able to ride for a considerable length of time with pleasure. While the horse is not judged in Equitation, it is the exhibitor's responsibility to show the horse to the best of it's' ability while maintaining proper form. The rider should perform all gaits using inconspicuous cues and the gifts of natural horsemanship.

iii  To show a horse well, rider should show himself or herself to the best advantage. Ring generalship shall be taken into consideration by the
judge. The appearance, presentation and alertness of the rider and his/her mount should present an effortless and elegant image.

c. PERSONAL ATTIRE

i The rider of Walking Seat Equitation is to be judged on his/her skill and form on a horse. The horse and rider should be groomed to meticulous perfection. The rider should exercise good taste right down to the smallest, most meticulous detail. The rider is required to choose a neat, well-fitted habit with accompanying accessories within the guidelines based on tradition and present-day customs.

ii The two- or three-button (informal) saddle suit of a conservative color is correct for both day and evening. Jacket and Jodhpur pants should be of the same fabric. Suggested colors include black, blue, grey, green, beige, or brown. Habits of conservative print or pinstripe are also allowed. Coordinated accessories are suggested. Vests may be worn and may either match or contrast with the habit color. Careful attention should be given to the fit of the habit. The coat length should be at least 3 inches below the fingertips when standing. The jodhpurs should be long enough to rest on the rider’s boot top and cover the bottom of the boot heel when mounted. Only the toe of the boot should be visible. Jodhpur underpasses should always be worn. A moderate fullness is better than a suit that fits too snugly.

iii A matching or coordinated homburg or wide-brimmed saddle derby should be worn by girls. Boys should wear a snap-brimmed hat. A properly fitting ASTM/SEI-approved riding helmet may be worn in place of derby or hat with no penalty. A four-in-hand tie matching or coordinating with the suit color should be worn. The shirt must be neat, clean, and well fitted. Boots should be of the English type in either calf or patent leather and should be polished and shined. Gloves of the same or coordinating color must be worn. English-type spurs (either blunt or small rowel or slip ons) are optional. English riding whips are allowed.

iv The semi-formal or tuxedo-type one-button coat suit is suitable to be worn only after 6 P.M. The acceptable colors are dark blue, brown, gray or black, with collar or lapels of the same color. Top hat or homburg, dark bow tie, cummerbund, gloves and boutonniere complete the semi-formal outfit.

v The formal or tuxedo type one button coat suit is also acceptable only after 6 P.M. The acceptable colors are dark blue, brown, gray or black, with collar or lapels of the same color. Top hat, cummerbund (or pique vest), white boutonniere, and matching or white bow tie and gloves complete the formal outfit.

42
vi  The rider’s hair must be neat and well-groomed. Girls with long hair should have it styled so the back number can be seen easily. Small post earrings may be worn.

vii Large earrings and bracelets, as well as large rings, do not belong in the show ring; neither do flying hair ribbons, corsages and large flowers. Nothing should detract from the genuine beauty of a well-trained horse and skilled rider.

d. TACK

i  Bridles should be of the type commonly used by Walking Horses, with a single pair of reins. Brow bands should match or coordinate with rider’s attire and appointments. Colored brow bands are appropriate; however, rhinestones, etc., are not acceptable. Bridles with cavesons should be of black or brown leather. Clean, well-kept bridles and shining silver bits are far more attractive. Martingales or similar tie-downs are prohibited. Bit shanks should not exceed 9 ½ inches in length.

ii  Saddles should be of the English cutback variety (either flat or deep seat) and of the correct size for the rider. They should be clean and well-kept with white girth and shining irons. Dressage, forward seat, Australian or Western saddles are prohibited.

iii  Ribbons should be neatly attached at foretop and mane. Colors should blend well with rider’s habit, brow band and color of horse. Braids should be of the straight-plaited variety with no butterflies or other ornamentations.

e. HAND POSITIONING

i  The hands should be held in an easy position, waist or elbow high; over the withers of the horse, and exhibiting a light but natural hold of the reins.

ii  The hands should be in unison with the horse’s mouth, showing adaptability as well as control. How and where the horse carries its head determines the height the hands are held above the horse’s withers. Thumbs should be pointing in the ten and two positions of the clock. Arms should fall naturally from the shoulder, with the elbow on a vertical or slightly forward. At no time should the rider exhibit stiffness or excessive motion with his/her arms.

iii  Hands and wrists should be flexible and not held extremely separated. (From the rider’s view, the hands should be in a “V” shape, close enough for thumbs to touch when extended.) The fingers should be
closed over reins, firm but not rigid, with enough pressure between thumb and index fingers to form a secure but light union with the horse. Closed (or crossed) reins may be used. The reins must be buckled, with the bight of the rein should be on the off-side.

f. BASIC POSITION

i When the rider is viewed from the side, a straight line should be drawn from the rider’s ear, to shoulder, to hip, to heel. When viewed from the front, the rider should be balanced in the saddle, with shoulders square. Any tendency to lean to one side, sway, or lead with one shoulder should be penalized, as should excessive motion in the saddle. The girth should be in front of the rider’s leg at all times.

ii To obtain this position, the rider should sit comfortably in the middle of the saddle and find his/her center of gravity by sitting with a slight bend at the knees, without the use of the stirrups. At this position, the stirrups should fall at or slightly below the rider’s ankle. While doing this, have stirrup leathers adjusted to fit so that irons will be under ball of foot with even pressure on entire width of sole and center of iron.

iii The foot position will be natural and comfortable if the knee and thigh are rolled inward and the heel is lower than the toes, with toes pointing straight ahead. From the front or rear view, the lower leg will be held naturally away from the horse, depending on the anatomy of the rider and the size of the horse. At no time should there ever be any space or daylight between the rider’s knee and the saddle.

iv The rider should sit comfortably deep in the saddle, with his/her shoulders back and level, back flat, with ribs drawn out of the waist. Any tendency to exhibit a swayed or rounded back should be penalized.

g. POSITION IN MOTION

i The position in motion should be natural, coordinated and graceful, which is attained only with practice. The rider should maintain the proper form, using inconspicuous cues and natural aids to show his/her horse to the best of it’s’ ability with grace and elegance.

ii From the side view, a straight line can be drawn perpendicular to the ground through the rider’s head, neck, shoulder, hip and heel. The rider’s toe should never be any more forward than his/ her knee, with toes pointing straight ahead and heels below the stirrup irons.
iii Upper arms should fall naturally from the shoulders toward the hip bones, and should be flexible, never clutched to the body, extended forward or spread away from the body. Any stiffness or exaggeration should be penalized.

iv Hands should be in a comfortable waist-level position, depending on how and where the horse carries its head, showing adaptability as well as control. The use of the hands should be smooth and gradual, without jerking or pumping at any of the gaits, or jerks on the reins.

v The rider should be looking forward, through the horse's ears, and be aware of his/her ring position and situation at all times. Every transition should be accomplished in a smooth, collected, and quiet manner, by both horse and rider. In the event a canter lead is missed, the rider must quickly recognize and correct the error.

vi All flat shod entries must back in the line-up in classes or shows specifically designated for that discipline. All Walking Seat Equitation entries must reverse toward the rail.

h. CLASS PROTOCOL

i Each entry will enter the ring in a counterclockwise direction at each required gait, reverse and repeat each gait. The riders will then be lined up for inspection. The performance of the horse shall in no way be considered except as it relates to the manageability, control, and proper response to the Equitation rider.

ii Judges must walk the line-up in all Equitation classes, taking time to inspect each rider individually. (NOTE: all flat shod entries in flat shod classes are required to back.) At that time, the judge may ask each rider individually to perform from the following tests:

(a) All riders wearing English attire will be required to address his/her reins to check muscular control and sensitivity of the hands.

(b) Ask each entry three identical questions; one each about the anatomy of the horse, tack, and Equitation.

(c) Ask the exhibitor to drop and pick up his/her stirrups.

iii Upon completing the individual inspection, judges may ask riders to perform pattern work. Pattern work should be used only in the event of a tie or close decision. The judge must always post the pattern one hour before the show starts, and the pattern must be announced during the class, prior to beginning the workout. Pattern work shall be used to ascertain the rider's skills in off the rail maneuvers. The riders
must use the same correct form as in rail work, but with more difficult skill set.

Specific details that should be noted in pattern work include:

(a) Efficiency in executing the pattern
(b) Capacity to remain composed and responsive
(c) The ability to exhibit accuracy in required gaits
(d) The ability to perform required maneuvers in a uniform fashion
(e) Smoothness through transitions
(f) Knowledge of correct canter leads and aids

When using patterns, the judge must always remember that rail work and pattern work, each, will count 50% of the final score. Exhibitors who have NOT been selected to perform additional pattern work CANNOT be placed above exhibitors who have been selected to do so. Equitation classes that do not require the canter cannot be asked to execute a pattern which requires the canter.

3. STOCK SEAT EQUITATION - WALKING

a. CLASSES

i. Stock Seat Equitation Exhibitors 11 and Under Specialty
ii. Stock Seat Equitation Exhibitors 12-17 (Canter or Specialty)
iii. Stock Seat Equitation Championship (Canter or Specialty)
iv. Stock Seat Equitation Adult Riders (Riders 18 years or older either Canter or Specialty)

b. PERSONAL APPOINTMENTS
i Western Hat or ASTM/MSEI Approved Riding Helmet

ii Long Sleeved Shirt with collar

iii Vest or Jacket (Optional)

iv Gloves

v Long Pants

vi Boots

vii Chaps (Coordinating, Optional)

viii Spurs (Optional)

ix Tie, Pin, or Scarf (Optional for Girls)

x Tie or Bolo (Mandatory for Boys)

All riders and horses must be well groomed and exhibit good taste in their choice of appointments. The rider’s hair must be neat and well groomed. Girls with long hair should have it styled above the collar so the back number can be seen easily. Ultimately, the rider’s appearance must be clean, workmanlike, and neat.

c. TACK

i Equipment requirements must comply with the rules governing correct turnout for a western pleasure horse.

ii Bridles should be of the type commonly used by western pleasure Walking Horses. Either split or romal reins are acceptable. Cavesons are prohibited. Bit shanks should not exceed 9 ½ inches in length. Horses five (5) years and under may be ridden with two hands provided that a snaffle bit or Bosal is being used.

iii Braids or colored browbands are prohibited in Stock Seat Equitation.

iv Saddles should be of the western type. Silver mounted equipment should not take precedence over good working equipment. Australian Stock saddles are NOT permitted.

v Saddle pads should match or contrast with the rider’s appointments.

d. GENERAL INFORMATION
i Riders will be judged on seat, hands, and the ability to control and show the horse. Results as shown by performance of the horse are NOT to be considered more important than the method used by the rider. Any stiffness or exaggeration of the rider should be penalized. Any bumping, pumping, or extreme use of aids and body should be penalized.

ii A rider should convey the impression of effective and easy control, with the general appearance of being able to ride for a considerable length of time with pleasure. While the horse is not judged in Equitation, it is the exhibitor’s responsibility to show the horse to the best of its’ ability while maintaining proper form. The rider should perform all gaits using inconspicuous cues and the gifts of natural horsemanship.

iii To show a horse well, the rider should show himself or herself to the best advantage. Ring generalship shall be taken into consideration by the judge. The appearance, presentation and alertness of the rider and his/her mount should present an effortless and elegant image.

iv The rider should always use appropriate show ring etiquette. Any exhibitor not having his/her mount under sufficient control shall be dismissed from the ring. The fall of either the horse or the rider shall disqualify the entry, EXCEPT when the horse or rider falls because of contact interference from another rider or horse. In this situation, the entry at fault will be dismissed.

e. HAND POSITIONING

i Both hands and arms shall be held in a relaxed, easy manner, with the shoulders back and down, and upper arm in a straight line with the body.

ii The arm holding the reins should be bent at the elbow, forming a straight line from the elbow to the horse’s mouth. The reins must be held in one hand and cannot be changed during the class.

iii When using romal reins, the rider’s off-hand shall be around the romal reins with at least 16 inches of rein between the hands. Wrists are to be relaxed, with thumb on top and fingers closed around the reins. The romal reins shall not be used forward of the cinch, or used to signal or cue the horse in any way. A finger between the reins is not permitted.

iv When using split reins, a hand around the reins or index finger between the reins is permitted, but the free hand is not allowed to touch the reins.
v Some movement of the arm is permissible, but excessive pumping will be penalized.

vi Reins are to be carried immediately above or slightly in front of saddle horn. Only one hand is to be used for reining, and that hand shall not be changed.

vii Reins should be carried so as to have light contact with the horse’s mouth and at no time shall reins be carried more than a slight hand movement from the horse’s mouth. Excessively loose or tight reins will be penalized.

viii In the event a horse (5 years of age or younger) is shown with snaffle bit or Bosal, it is acceptable for a rider to show with two hands on the reins.

f. BASIC POSITION

i The rider should sit in the center of the saddle with legs under the rider forming a straight vertical line through the ear, center of the shoulder, the center of hip and back of heel. When viewed from the front, the rider should be balanced in the saddle, with shoulders square. Any tendency to lean to one side, sway, or lead with one shoulder should be penalized, as should excessive motion in the saddle.

ii Stirrup length should allow heels to be lower than toes, with a slight bend in knee and the toe directly under knee. The foot position will be natural and comfortable, with the knee and thigh rolled inward so that the heel is lower than the toes, with toes pointing straight ahead. From the front or rear view, the lower leg will be held naturally away from the horse, depending on the anatomy of the rider and the size of the horse. At no time should there ever be any space or daylight between the rider’s knee and the saddle.

iii The body should always appear comfortable, relaxed and flexible. The back should be nearly flat. A stiff and/or arched lower back should be penalized.

iv The feet may be placed home in the stirrup, with boot heel touching the stirrup, or may be placed with ball of foot in the stirrup. Riding with toes only in stirrup will be penalized.

g. POSITION IN MOTION
i The position in motion should be natural, coordinated and graceful, which is attained only with practice. The rider should maintain the proper form, using inconspicuous cues and natural aids to show his/her horse to the best of its’ ability with grace and elegance. All movements of the horse should be governed by the use of imperceptible aids.

ii From the side view, a straight line can be drawn perpendicular to the ground through the rider’s head, neck, shoulder, hip and heel. The rider’s toe should never be any more forward than his/ her knee, with toes pointing straight ahead. The riders’ weight should be settled into his/her heels.

iii Upper arms should fall naturally from the shoulders toward the hip bones, and should be flexible, never clutched to the body, extended forward or spread away from the body. Any stiffness or exaggeration should be penalized.

iv Hands should be in a comfortable waist-level position, depending on how and where the horse carries its head, showing adaptability as well as control. The use of the hands should be smooth and gradual, without jerking or pumping at any of the gaits, or jerking on the reins.

v The rider should be looking forward, through the horse’s ears, and be aware of his/her ring position and situation at all times. Every transition should be accomplished in a smooth, collected, and quiet manner, by both horse and rider. In the event a canter lead is missed, the rider must quickly recognize and correct the error.

vi All Stock Seat Equitation entries must reverse away the rail (toward the judge), and back in the line up.

h. CLASS PROTOCOL

i Each entry will enter the ring in a counterclockwise direction, complete each required gait, reverse and repeat each gait as called. The riders will then be lined up for inspection. The performance of the horse shall in no way be considered except as it relates to the manageability, control, and proper response to the Equitation rider.

ii Judges must walk the line-up in all Equitation classes, taking time to inspect each rider individually. (NOTE: All Stock Seat Equitation exhibitors are required to back.) At that time, the judge may ask each rider individually to perform from the following tests:

(a) Ask each entry three identical questions; one each about the anatomy of the horse, tack, and Equitation.
(b) The exhibitor may be asked to back clear of the line up and execute a 360 degree neck reined turn, either to the right or left at the exhibitor's discretion.

iii Upon completing the individual inspection, judges may ask riders to perform pattern work. Pattern work should be used only in the event of a tie or close decision. The judge must always post the pattern one hour before the show starts, and the pattern must be announced during the class, prior to beginning the workout. Pattern work shall be used to ascertain the rider's skills in off the trail maneuvers. The riders must use the same correct form as in rail work, but with a more difficult skill set.

Specific skills that should be noted in pattern work include:
    (a) Efficiency in executing the pattern
    (b) Capacity to remain composed and responsive
    (c) The ability to exhibit accuracy in required gaits
    (d) The ability to perform required maneuvers in a uniform fashion
    (e) Smoothness through transitions
    (f) Knowledge of correct canter leads and aids

iv When using patterns, the judge must always remember that rail work and pattern work, each, will count 50% of the final score. Exhibitors who have NOT been selected to perform additional pattern work CANNOT be placed above exhibitors who have been selected to do so. Stock Seat Equitation classes that do not require the canter cannot be asked to execute a pattern which requires the canter.

Any patterns used should be posted 1 hour before class.
The following patterns are general examples, other patterns may be used:

**Walking Seat Equitation Pattern 1**

1. Canter to the left, around the curve and to the midpoint of the straightaway (B).
2. Without halting, make a turn to the right, and continue 1/4 of the way across the arena (C). Stop briefly.
3. Running walk all figure 8, the first circle clockwise and the second circle counter clockwise. Stop briefly at (C).
4. Reverse and canter on the left lead to the rail (B). Turn left and continue to the end of the straightway, around the curve and to the midpoint of the straightway (A).

**Walking Seat Equitation Pattern 2**

1. Begin at the mid-point of the in gate end of arena (A).
2. Begin at Running Walk (A) to the right and perform a serpentine consisting of four half-circles.
3. Stop briefly and reverse (B).
4. Canter along the rail, around the curve to the midpoint of the straightway (C).

C. HALTER DIVISION

In halter classes the entries are presented in-hand, in either a halter or bridle depending on the specific class requirements. All entries are flat shod at WHOA events. Entries should be representative of the conformation and natural ability that make the TWH distinctive. Entries showing obvious outward signs of being sedated or tranquilized shall be excused. Entries in this division should exemplify the ultimate in conformation of the TWH. Entries should be in sufficient good flesh to present a healthy appearance, and should be immaculately groomed. Transmittable weaknesses shall be considered faults and shall be penalized.

1. MODEL CLASSES

Model Classes may be offered. They may be divided by age, gender, or height. Model entries will be judged on conformation and presentation. All entries must be in good flesh and stand quietly. The entries will be led into the ring and lined up as directed by the ringmaster or judge. The attire of exhibitor and tack of horse may be English or Western. Model classes do not qualify a horse for a rail Championship Class. All Model classes are Flat shod.

2. IN-HAND or HALTER CLASSES

In-Hand or Halter Classes may be offered. The entries will be judged on overall movement, conformation and presentation. Just as with horses under saddle, the halter or in-hand entry should move with a free moving shoulder and ample overstride seen in the TWH. All halter and in-hand entries should be well groomed and present the characteristics of the natural beauty and movement passed through breeding. Entries showing obvious signs of sedation or being tranquilized will be penalized or excused. For each class offered, the prize list shall specify the age, sex, manner of showing and points to be considered in the judging of the contestants. These classes may be Yearling, Weanling, Mare and Foal, Get of Sire, or Lead Line classes. Entries are led into the ring on the first way of the ring at a walk, then reversed, lined up and judged. In the yearling class the judge may ask for an extended gait that will be done individually after the initial lineup. Youth may not exhibit stallions except weanlings in halter classes. Mare and foal entries will be judged 50% on the mare and 50% on the foal, and mare must show in a bridle. All entries will be flat shod.

D. FLATSHOD PLEASURE RACKING RULES

1. TRAIL PLEASURE RACKING

Trail pleasure racking horses must be lite shod (3/4 "x 3/8 inch maximum). Horses shall enter the ring at a trail rack. The judge will call for a trail walk and trail rack in both directions of the ring.

Trail Racking Horses should exhibit a true 4 beat gait with an effortlessness geared toward encouraging stamina and longevity on the trails. Horses must walk and rack on a loose rein and be extremely well mannered, responsive and quiet. Horses must stand quietly and back readily. Animation and action are not desired in a trail racking horse.

Trail Pleasure Racking Western classes must reverse away from the rail (to the inside). Reins must be held in one hand and cannot be changed during performance. Five year olds and under may be reined using a bosal or snaffle, but the rider may use two hands on the reins. The Judge may call for a halt on the rail to test for quietness. Horse must stand quietly on the rail and in the lineup, and back freely when asked. If a western horse does not stand quietly, it shall be penalized. It is suggested that for Championship classes in Trail Racking Western the Judge ask the entries to back clear of the lineup and do a 360 degree neck reined turn, either right or left, rider’s discretion. The horse shall wear correct western tack. The horse must wear a bridle with no caveson or colored brow band. Braids are prohibited.

2. COUNTRY PLEASURE RACKING

The Country Pleasure Racking horse may wear any size shoe up to the plantation-sized (1 1/2 x 1/2 inch). Horses shall enter the ring at a slow rack. The Judge will call for a show walk, slow rack, and a fast rack (country pleasure rack) both directions of the ring. Country Pleasure Racking Horses should exhibit a true 4 beat gait with slightly more animation than the trail racking horse. Horses should be well mannered and responsive. Quality of gait shall not be sacrificed for speed. Horses must stand quietly and back readily. Country Pleasure Racking Western classes must reverse away from the rail (to the inside). Reins must be held in one hand and cannot be changed during
performance. Five year olds and under may be reined using a bosal or snaffle, but the rider may use two hands on the reins. The Judge may call for a halt on the rail to test for quietness. Horse must stand quietly on the rail and in the lineup, and back freely when asked. If a western horse does not stand quietly, it shall be penalized. It is suggested that for Championship classes in Country Pleasure Racking Western the judge asks the entries to back clear of the lineup and do a 360 degree neck reined turn, either right or left rider’s discretion. The horse shall wear correct western tack. The horse must wear a bridle with no caveson or colored brow band. Braids are prohibited.

3. STYLE RACKING

The Style Racking horse may wear any size shoe not to exceed the plantation-sized (1 1/2 by 1/2 inch). Horses shall enter the ring at a style rack. The judge will call for the show walk and the style rack both directions of the arena. The Style Racking Horses should display brilliance and show presence while performing a true 4 beat rack. Horses should be balanced both front and rear with animation and action in both the show walk and style rack. Exhibitors should not sacrifice style or gait for speed. Style racking horses are not required to back.

4. SPEED RACKING

The Speed Racking horse may wear any size shoe up to the plantation-sized (not to exceed 1 1/2 by 1/2 inch). Protective equipment, including unweighted heel boots, quarter boots, bell boots are permitted. The DQP will inspect the horse and all boots before allowing them on a horse. After inspection, boots and safety equipment may be put on the horse in the warm up area. Horses shall enter the ring at a slow rack. The judge will ask for show walk, slow rack, and fast rack both directions of the arena. Speed Racking horses are not required to back.

E. SPOTTED SADDLE HORSE RULES

Spotted Saddle horses must be registered with SSHBEA or NSSHA.

1. The Lite Shod Pleasure horse must display a true four beat gait at the show walk and show gait effortlessly displaying elegance and classic beauty with a balanced head nod. The Lite Shod Spotted Saddle horse should be collected and well balanced. The Lite Shod Spotted Saddle horse should break higher with its front legs in all gaits than the Trail Pleasure horse.

2. In English classes the Lite Shod Spotted Saddle horse should have a higher head carriage exerting energy through light collection. Only English tack should be used in this class.
3. In Western classes the Lite Shod Spotted Saddle horse should have a lower headset and work on a lighter rein than in English class. Two hands may be used. A 360 degree neck reined turn to the right or left at the exhibitors discretion may be called for at the judges’ discretion in Western classes for aged horses 6 years and over. Western tack must be used in this class.

4. **Shoeing:** A maximum $\frac{1}{2}''$ thick x 1'' wide hot or cold rolled steel or aluminum shoe. Borium is allowed on the caulks and toes of the shoe. The thickness of the shoe, caulk and borium together must not exceed 1 $\frac{1}{8}''$ thick. A maximum 1 $\frac{5}{8}''$ turn back (measured from the front to the back of the caulk) is allowed. Clips are optional when drawn from the original steel or poured.

Spotted Saddle Horses may be shown English or Western attire, but not a combination of both.

Spotted Saddle Horse will enter the ring at a show walk. Gait call is show walk, show gait, show walk, reverse and then repeat the order. Spotted Saddle Horses will be asked to halt both directions of the show ring. Some classes may be required to canter if designated on the show sheet. Spotted Saddle Horses must stand quietly and back readily in the line up.

The Trail Pleasure Division is divided into three categories:

1. **Country Trail Pleasure** – Head motion is not allowed. The shoe must be a manufactured keg shoe.

2. **Traditional Trail Pleasure** – Head shake is permitted. Shoeing is the same as Country Trail Pleasure (manufactured keg shoe).

3. **Trail Pleasure** – Head Motion is desired in the Trail Pleasure Horse. The horses should be more animated and have a longer stride than Country Pleasure or Traditional Trail Pleasure. A maximum $\frac{3}{8}''$ thick x $\frac{3}{4}''$ wide, with up to a $\frac{1}{16}''$ variance, hot or cold rolled steel or aluminum shoe (both front and hind feet). Borium is allowed on the caulks and toe of the shoe, but the thickness of the shoe, caulk and borium must not exceed $\frac{7}{8}''$ in thickness. Maximum 1 $\frac{1}{2}''$ turn back (Measured from front to back of caulk). Clips are optional when drawn from the original steel, or poured.

The following rules apply to all categories of the Trail Pleasure division:

- **a.** Optional Tack in all classes - may be English or Western but not a combination of both. Exception: caveson.

- **b.** Whips are allowed with English attire but prohibited with Western attire.

- **c.** Cavesons are allowed with both English and Western attire.

- **d.** English Browbands and braids are prohibited with Western attire.
e. Bit Shanks may not exceed 9 1/2”.

f. Snaffle Bits may be used on horses 5 & under and ridden with two hands.

g. Western classes that are designated “open”, for horses 6 and over, must be ridden with one hand. A hand around the reins or index finger between the reins is permitted, with the free hand is not allowed to touch the reins. When using Romal reins the hand must be around the reins but using the index finger in between the reins is not permitted. The Romal can not be used forward of the cinch or used to signal or cue the horse. In all western classes designated amateur or juvenile the rider may use two hands on the reins.

h. When asked to reverse, horses may turn to or away from the rail. The Trail Pleasure Horse must give the impression of the ultimate trail horse at all times, demonstrating perfect manners and an exceptionally smooth, natural gait. Neither horse nor rider may show any signs of strain. In the Trail Pleasure classes no shoe may be made of material any heavier than conventional steel. Hoof bands are prohibited in all classes and not allowed on show grounds. No lubricants in the pastern area are allowed in any class. Tungsten metal is prohibited. Crossover among all 3 categories is allowed as long as shoeing requirements are met. Spotted Saddle Horses may also show in Tennessee Walking Horse and Pleasure Racking classes as long requirements for those classes are met.

Spotted Saddle Horse Classes may be offered for Lite Shod horses. Lite Shod Rules apply. Tungsten is prohibited in all spotted saddle horse classes.

VIII. GENERAL CRITERIA FOR JUDGING ALL DIVISIONS

A. In all TWH Flat Shod classes, a four-beat walking gait with a cadenced head motion (nod) is required.

B. Manners are paramount in all Flat Shod classes.

C. Flat Shod TWH should never show tendencies to pace, trot or rack.

D. At all gaits, bumping or pumping of the reins MUST be penalized in final judging.

E. In three-gaited classes, a horse that does not canter both ways of the ring cannot be placed above a horse that does canter both ways.
F. In a three-gaited class, a horse that is on the wrong lead or is cross-cantering MUST be penalized in final judging.

G. All Flat Shod horses must stand quietly, back willingly and readily.  
Exception: speed racking and style racking horse are not required to back.

H. Any Flat Shod horse is considered to have an unacceptable image if it exhibits stiff front legs, crampy rear leg motion, laboring, twisting of the hocks, stumbling, unevenness in its way of going, quick flipping of its front feet, or landing on its heels, or repeatedly rocks back in the lineup.

I. Serviceable Soundness for Horse Show Purposes. All horses shown at a show must be serviceably sound. The official veterinarian’s decision, if requested by the Judge, as to the serviceable soundness of a horse shall be final. If the official veterinarian is not immediately available or called on, the Judge’s decision as to serviceable soundness of a horse shall be final.

J. For Halter Judging Criteria: See Halter Division

K. Classes that Use English Equipment:
Horses shall enter the ring at a flat walk and when the gate is closed, the Judge shall call for gait with the order of flat walk, running walk, flat walk and canter. The head motion of a Walking Horse is very important - if he isn't nodding, he isn't walking. Horses shall be worked both ways of the ring. Workouts may be held. English tack and attire are mandatory in this class. Snap brim hat, or safety helmet may be worn. Neatness and taste in attire is encouraged and should be a consideration of the Judge in the final judging. Whips or crops not to exceed four feet are permitted in English classes. Bits with shanks over 9 ½ inches are prohibited. Gag bits without shanks are prohibited. Extremely tight curb chains must be penalized. Exhibitors must ride with light reins in all four gaits. Judges must require horses to back on the first line up. Form must not be sacrificed for speed when judging the gaits of the horse. If an English horse has a fast, uncontrolable canter or requires pumping or bumping, he must be penalized. Entries are to be judged on quality of the required gaits, neatness and appearance of both horse and exhibitor.

L. Classes that Use Western Equipment:
Entry shall reflect suitability of the TWH as a western horse. The western horse works quietly exhibiting an exceptionally smooth, comfortable ride. A good western horse should have a balanced flowing motion with a free and easy gait. The horse should be ridden on a light rein, and should exhibit a four beat walking gait with a cadenced head motion (nod). The headset should be natural, lower, and neither excessively nosed out or overly flexed at the poll. The head should not be high but should exhibit the type of head carriage of a TWH used as a western horse. Horses in western are to be reversed away from the rail (to the inside).
Reins must fall to the same side as the reining hand and cannot be changed during the performance. When using split reins, a hand around the reins or index finger between reins is permitted, but the free hand is not allowed to touch the reins.

Romal reins mean an extension of braided material attached to closed reins. This extension is allowed to be carried in the free hand with approximately 16 inch spacing between the reining hand and the free hand holding the Romal. The Romal shall not be used forward of the cinch or used to signal or cue the horse in any way. When using the Romal, a hand should be around the reins, but a finger between the reins is not permitted. While the horse is in motion, the exhibitor’s hands shall be clear of horse and saddle at all times.

The Judge may call for a halt on the rail to test for quietness. Horse must stand quietly on the rail and in the lineup, and back freely when asked. Horses must back with head in appropriate position with mouth closed. (At the discretion of the Judge, the horse may be asked to back clear of the line-up and do a 360 degree neck reined turn, either right or the left, exhibitor’s discretion.) The horse should wear a western bridle with no caveson (Exception: Country Pleasure, Classic Country Pleasure, All Day Pleasure, and Classic All Day Pleasure) or English browband and bits with shanks not to exceed 9 1/2 inches. Western tack and attire including hat or safety helmet, boots and long sleeved shirt are mandatory. Chaps, spurs, coat, vest, jacket and lariat may be used at the option of the exhibitor. Australian stock saddles are not permitted. Whips are not permitted.

If a western horse does not stand quietly on a loose rein, he must be penalized.
If a western horse is two handed at any time, he must be penalized. (Exception: Country Pleasure, Classic Country Pleasure, All Day Pleasure, and Classic All Day Pleasure)
Exception: A bosal or ring snaffle may be used with two hands on five-year-old and younger western flat shod pleasure horses.
If a western horse has a fast, uncontrollable lope or requires pumping or bumping, he must be penalized.

In the Lite Shod Division, which is divided into Lite Shod and Classic Lite Shod, the same procedure is suggested.

D. Qualifying Classes.

An entry shall be deemed to have qualified for a Championship Class, if in an appropriate qualifying class:

1. It is excused by a Judge after or during the initial lineup without request by the exhibitor to be excused (these individuals must return to inspection immediately).
2. It has completed the class.
3. A horse showing in a Specialty/ two (2) gait/ no canter class is not qualified to show in a Championship Class that requires three (3) gaits, and a horse exhibiting in a three (3) gait preliminary class does not qualify that horse for the two (2) gait championship.

E. Championships Classes.

1. Show Management must designate all qualifying classes and may require any and all winners in a qualifying class to compete in a Championship Class provided it is so stated in the prize list. Any exhibitor failing to comply shall forfeit all winnings in the qualifying class. If an exhibitor qualifies more than one horse for a Championship Class, he or she may elect to show only one.
2. To be eligible to show in a Championship Class, except in a one night show that does not require qualifying; a horse must have been properly entered, shown and judged in one qualifying class. No two- and three-year-old horses that have qualified in a no canter class shall be eligible for a Championship Class requiring three gaits.
3. To be "shown and judged" in any class in which horses compete together, an entry must perform all required gaits both ways of the ring in the original workout and must remain in the ring up to the point of being excused by the Judge.
4. A horse showing in a Specialty/ two (2) gait/ no canter class is not qualified to show in a Championship Class that requires three (3) gaits, and a horse exhibiting in a three (3) gait preliminary class does not qualify that horse for the two (2) gait championship.
5. Championship Classes for a specific height or sex may be offered as set forth in the respective Rules.

F. Special Classes

Special Classes may take any form determined by the sponsoring organization. Open to exhibitors in keeping with the general requirements and in conformance with the special rules below. Such classes may include, but are not limited to:

1. Two-Wheel Bike Class (No Canter Required). Such classes shall be limited to Walking Horses, and shall be judged on conformation and gaits. The three gaits called for shall be: flat walk, running walk, and running walk with speed. Entries enter the ring clockwise at a running walk and then are asked to running walk with speed. On the reverse, entries flat walk, running walk and then running walk with speed. At all speeds, entries must stay in form. Animation, brilliance, and show ring presence should characterize the Bike Walking Horse.

2. Antebellum Costume Class (No Canter Required). Entries shall be shown in appropriate Antebellum Costumes reflecting a particular historical era or a particular theme. Horses shall be shown in accordance with the Rules of the Class in which they compete, and shall be judged 50% on performance and 50% on the costume and appointments of the exhibitor. Lady exhibitors must show side saddle; gentlemen shall sit astride. Entries shall be shown at a flat walk and running walk. Horses will not be required to back.

3. Southern Belles and Beaus Class. Entries shall show in authentic Antebellum Costumes of the period. Horses shall be shown in accordance with the Rules of the Pleasure Class in which they compete, and shall be judged 50% on performance and 50% on costume and appointments of the exhibitor. Gentleman exhibitors shall show astride, and ladies shall show side saddle. Entries shall be shown at a flat walk, running walk and canter.

4. Speed Walking Horses (No Canter Required). Entries in this class shall be shown at the flat walk, followed by the running walk with speed. Horses breaking gaits should be penalized. It is suggested that classes be judged 50% on speed in running walk, and 50% on overall performance and conformation. Action devices and pads are prohibited.

5. Amateur Exhibitor-To-Judge Class. The Judge must be selected by a drawing of lots after the entries have entered the ring.

6. Western Parade Class. Any smooth gaited horse judged 60% on turnout and appearance, 30% on gait and 10% on manners.

8. Gaited Pleasure. Open to any flat shod gaited breed of horse, any age horse, and any gender horse to be held at show management’s discretion.

G. Open Classes.
An Open Class is one which is open to horses of any age, size or sex, as specified on the class sheet, irrespective of the ribbons previously won, and in which there is no limiting qualification for the exhibitor.

H. Amateur Classes.

An Amateur Class is one in which every exhibitor enjoys amateur status. All amateur exhibitors are required to obtain a WHOA Membership, or Temporary Membership (only available at WHOA affiliated shows; not WHOA sponsored shows) to be eligible to show.

1. Amateur Classes may be restricted to exhibitors who are no longer eligible to compete as a youth exhibitor, in which instance the prize list shall specify "18 and Over."

2. Amateur Classes may be offered using the specifications as set forth in the respective Rules. If Amateur Classes are offered leading to a Championship Class, judging specifications employed shall be those governing Amateur Classes rather than those of the Championship Class.

I. Youth Classes.

1. For horse show purposes, a youth exhibitor is an individual who, on January 1st of the show year, has not yet reached his or her 18th birthday. If an exhibitor is 17 on January 1st and turns 18 on January 2nd, the exhibitor is still eligible to show as a youth exhibitor all that year. Youth exhibitors are required to obtain a WHOA Youth exhibitor card to be eligible to show. A youth exhibitor may compete in an amateur class, unless the prize list specifies otherwise.

**Note: Youth related to a professional are restricted: See professional status.**

2. In the event that Show Management wishes to divide Youth Exhibitors' Classes, it may offer separate classes for boys and girls or offer several age limits. The following three age limits are suggested but may be varied depending on local conditions:
   • Exhibitors who are 11 years and under.
   • Exhibitors who are 12-14 years of age.
   • Exhibitors who are 15-17 years of age.

When divided as above, no exhibitor shall compete in more than one section. This rule does not apply to the Equitation Division where only the exhibitor is being judged.

3. If a youth comes into the ring and cannot handle the horse and it is a danger to the youth, the Judge or Show Manager shall excuse the entry. If the parent determines the youth cannot handle the horse, he or she may request, after proper identification, that the entry be excused and the judge shall comply.

4. Strapping or taping youth exhibitors’ shoes to their stirrups is strictly prohibited in these classes and if detected entry shall be excused.
5. Stallions shall be barred from any class, the conditions of which specify that a youth exhibitor is to ride. Youth cannot exhibit stallions in any division with the exception of weanlings.

6. Youth may show any sex weanlings. Youth may show yearling fillies and geldings only.

J. **Owner-Amateur/Amateur Owned and Trained Classes.**

Horses that enter any of these classes must not have been in professional training, schooling, trailering or instruction in the **previous 90 days prior** to acceptance of entry. This includes a professional for any breed of horse. There will be no exceptions. Presenting false information will result in disqualification, fines, and suspensions by WHOA Executive Director and the Rules Committee. AOT/OAT owners and exhibitors are allowed to participate in public clinics where a professional is the clinician as long as the clinician does NOT ride/drive their horse.

**Exception:** If an OAT or AO&T exhibitor needs assistance saddling or holding a horse to be saddled, such exhibitor will not be penalized if assisted by a professional.

**OAT- Owner Amateur Trained** - the amateur or immediate family member that exhibits the horse is the same amateur that owns and trains the horse. Co-ownership/exhibiting between two non-related amateurs is not allowed in this class.

**AO&T - Amateur Owned and Trained** - this horse must be trained by an amateur, owned by an amateur, and exhibited by an amateur. Co-ownership between amateurs is allowed.

K. **Ladies’ or Gentlemen’s Classes.**

1. Ladies’ Classes shall be restricted to lady exhibitors who are 18 years of age or older, which should be so stated on the prize list.

2. Gentlemen’s Classes shall be restricted to gentlemen exhibitors who are 18 years of age or older, which should be so stated on the prize list.

3. Ladies’ or Gentlemen's’ Classes may be offered using the specifications as set forth in the respective Rules. If Ladies’ or Gentlemen's’ Classes are offered leading to a Ladies’ or Gentlemen's’ Championship, judging specifications should follow those of the Ladies' or Gentlemen's’ Class rather than those of the Championship Class.

L. **Novice Classes.**

Novice Classes may be offered using specifications determined by Show Management.

M. **Local Classes.**

4. A Local Class is one in which entrance is restricted by show management to horses owned by residents of a specified locale and which is so described in the prize list. Results of Local Classes will not be considered in determining show championships if awarded on points, nor will they count toward end of the year awards.
5. Gaited Pleasure classes are open to any breed horse, any age horse, any gender horse to be held at show management’s discretion.

6. Classes that are restricted to members of a club shall be included in the above definition unless memberships are open to and easily obtainable by all exhibitors.

7. In classes which restrict entries by states, such as "Tennessee Bred," the word "bred" shall be understood to mean foaled in the state (but not necessarily mated there). Classes so restricted shall be included in the Local Class definition.

8. Any show may offer Local Classes or complete Local Divisions. When this is done, the meaning of the local designation must be fully and clearly defined. Class specifications shall follow those listed in the respective Rules as closely as possible.

X. JUDGES AND JUDGING SYSTEMS

 Judges at WHOA affiliated or sponsored events must be chosen from the approved WHOA Judges list. The WHOA office will furnish a list of approved and qualified judges in show packages and upon request to organizations or persons planning to conduct affiliated or sponsored events.

A. GUEST JUDGES.

A Guest Judge is an individual 21 years of age or over, not enrolled as a Judge with WHOA to whom WHOA may grant permission to officiate upon the request of a particular show for Versatility Division and Equitation and Showmanship Divisions and for that show only. The fee for a Guest Judge shall be determined by WHOA and is not refundable. The application must be made on the official form provided for that purpose and must be accompanied by the required fee. The statement on the form that the show holds itself responsible that the individual applied for is familiar with WHOA Rules and is capable to adjudicate as requested, must be signed by Show Management. WHOA Executive Director and Judges Committee will have the authority to grant guest judge permit.

Restrictions of a Guest Judge:

- Guest approval shall not be issued to anyone who has been rejected by WHOA.
- Authority to act as a Guest Judge shall not be granted to any person more than once without the approval of WHOA.
- WHOA may refuse to issue Guest Judge Approval to any person who has been reported by an Association or Show Official for acting in a manner contrary to the Rules or prejudicial to the best interests of WHOA.

B. LICENSING PROCESS

All persons 21 years of age or older desiring to be licensed by WHOA as a Judge of Flat Shod horses, versatility, halter or equitation classes shall secure and complete an application furnished by WHOA. Application must be made on an official WHOA form and accompanied by the required fee, which is not refundable. No application shall be considered if incomplete and/or fails to meet the deadline. All judges must be members in good standing of the WHOA.
In determining the qualifications of an applicant for a Judge's license, the evidence to be considered by the WHOA Executive Director and the Judges Committee, shall be all of the evidence presented to WHOA by the applicant, such evidence as WHOA may otherwise obtain and any other facts which may be in the applicant's file. Except as otherwise herein and after provided in these Rules, no person shall judge at a WHOA show unless he or she holds a valid license.

A WHOA judge, prior to being granted a license or renewed license, shall be required to sign an oath of office and standards of conduct.

C. RULES AND RESPONSIBILITIES OF A JUDGE

A Judge is obligated to adjudicate each class in conformity with the Rules and specifications of that class as they appear in the WHOA Rule Book. He or she is expected to be proficient and to possess a thorough knowledge of the Rules of WHOA.

Once a class has been judged, it shall not be re-judged, and once the Judge has marked his or her records and places for awards made, there shall be no changing of the Judge’s record.

Failure of a Judge to attend a show to which he or she is committed, to perform his or her duties, and to officiate in the classes to which he or she is assigned shall constitute cause for disciplinary action, except in cases of extreme emergency.

A Judge, by accepting an invitation to officiate a show, assumes a responsibility to protect Show Management by excusing from the ring all horses suspected of being in violation of the HPA and WHOA Rules. As stated in the WHOA Rule Book.

When a Judge is officiating at a show, he or she is not to arrive on show grounds until thirty (30) minutes prior to show time.

Any necessary communication between a judge and an exhibitor during a class must take place in the presence of a ringmaster or show management.

Any Judge selected to officiate at a show shall not be contacted relative to this show by any person having an interest in any horse expected to be shown at such show. All contacts made in violation hereof shall be reported immediately to WHOA Executive Director by said Judge.

It is the responsibility of a Judge to report any violation to WHOA Executive Director.

Telephone calls from trainers, exhibitors, etc. are to be reported to the WHOA Executive Director and Judges Committee who may file a complaint against the alleged violator.

Talking to or criticizing a Judge(s) at a WHOA affiliated or sponsored event is a violation and Judge(s) or any other show official that are witness to such an incident must report the violation to the WHOA Executive Director or the Judges Committee. The Judge or other show official has no choice except to report the violation.
All Judges licensed by WHOA must conduct themselves in a manner that reflects credit upon WHOA, the horse show, and the TWH.

In all classes in which a horse is shown under saddle, the horse must perform all gaits in order to be judged in overall performance, presentation and conformation.

An entry may, at the discretion of the Judge, be excused from the ring for any infraction or non-compliance of WHOA Rules or for deviating from the described gaits of the Walking Horse. The entry shall be eligible to show in a succeeding qualifying class if the problem can be corrected.

D. REGULATIONS GOVERNING JUDGES

A Judge shall not be an exhibitor or manager at any show at which he or she is officiating. A Judge shall not adjudicate in any show in which a member of his or her family, immediate family, or any co-owner, or any horses they own or train are competing.

A Judge shall not, during the period of a show at which he or she is judging, be the house guest of a person who is exhibiting in the show, or whose family is exhibiting at such show.

No horse may be shown before a Judge that has been sold by said Judge or by his or her employer within a period of thirty (30) days prior to the show.

No horse may be shown before a Judge that has been boarded, owned, trained or shown by said Judge within a period of thirty (30) days prior to the show.

No horse for which a Judge has acted in the capacity of agent, and/or has collected a commission as the result of a sale, may be shown before that Judge within thirty (30) days (excluding horses bought through a public auction where that Judge was sale manager or owner of that public auction, and this is the only conflict according to the rules.)

No one or their immediate family may show before a Judge where either the Judge or exhibitor has remunerated the other person for the leasing, boarding, riding, training, consulting, schooling, assisting or tutoring of any horse within a period of thirty (30) days prior to the show, stud fees excluded.

No exhibitor may compete in an Equitation Class before a Judge with whom his or her parent, guardian or instructor has had any financial transaction in connection with the sale, lease, boarding or training of a horse within thirty (30) days prior to the show, unless the sale or purchase was made at public auction.

No exhibitor may compete in an Equitation Class before a Judge by whom he or she has been instructed, coached or tutored, with or without pay, within thirty (30) days prior to the show. The conducting of clinics or assistance in group activities, unless individual instruction is given, is not considered to be instructing, coaching, or tutoring.

Remuneration and expenses paid to a Judge shall not affect the amateur status of the recipient as an owner or exhibitor.
An exhibitor may make a request through Show Management for the Judge’s opinion concerning that exhibitor’s horse. The request must be made at the conclusion of the show. It is urged that the Judge will give his or her opinion courteously and sincerely in the presence of Show Management and in a private setting.

A WHOA-approved Judge shall be treated with courtesy, cooperation and respect. No person, exhibitor, owner or otherwise, shall direct abuse or threatening conduct toward them, either in the furtherance of their judging duties, or as a result thereof, whether or not the conduct occurs during an approved event or show, or on show grounds. The Judge has no choice except to report the violation to WHOA.

A WHOA licensed judge is not allowed to judge a non-affiliated TWH horse show. (See IV. Definitions, Q.)

E. DISCIPLINARY ACTIONS

After a Judge’s license has been issued to any person, and such Judge shall demonstrate lack of competence, skill, integrity, cooperation, or the desire to deport himself in a manner as to be worthy of a Judge, the license of such Judge may be suspended or revoked by WHOA Executive Director and the Judges Committee, in the manner and upon such notice as is herein provided.

Forfeit of License: Judges holding a license with WHOA who have an indebtedness to a horse show or sale of required fees which are 30 days past due will result in the loss of license for one year and the indebtedness record will be filed in Judge’s file. He or she may re-apply for license the following year after indebtedness is paid in full.

F. GENERAL JUDGING PROCEDURE

All horses shall enter the ring at the flat walk, shall go to the right and may then go at ease until the class is called. The gate will be closed when the Judge calls for the first gait, and no entry shall be admitted into the ring after the gate is closed. The Judge then shall call for TWH gaits in the following order: flat walk, running walk, flat walk and or canter. When horses are reversed, the order shall be: flat walk, running walk, flat walk and/or canter. The second running walk may be called for the last way of the ring as the last gait at the Judge’s discretion. As the horses enter the ring and at any time during the class, the Judge must observe their way of going, and if he finds that an entry is in non-compliance as set forth in the HPA and Rules as stated in the WHOA Rule Book, he must excuse the entry immediately.

Horses shall be worked both ways of the ring at all required gaits sufficiently for all horses to have performed before each officiating Judge. Horses must perform all required gaits both ways of the ring. A horse that has not performed all required gaits shall not be placed over a horse that has performed all gaits.
Horse show or horse exhibition workouts or performances of 2-year old Tennessee Walking and Racking Horses and working exhibitions of 2-year old Tennessee Walking and Racking Horses (horses eligible to be shown or exhibited in 2-year old classes) at horse sales or horse auctions that exceed a total of ten (10) minutes continuous workout or performance without a minimum five (5) minute rest period between the first such 10 (ten) minute period and the second such ten (10) minute period and, more than two such ten (10) minute periods per performance, class, or workouts are prohibited.

After the preliminary workout of a class, all horses shall be lined up and inspected by the Judge, unless a qualified Ringmaster or a qualified Official of the Show is present. In the judging of a class, a Judge makes the final decision (on possible Rule violations) as whether to excuse a horse or permit it to remain in the class. If the Judge finds that an entry does not conform to the HPA, the WHOA unacceptable rule, or Rules as stated in the WHOA Rule Book, he must excuse the entry immediately and the entry must report to the DQP immediately.

At the discretion of the Judge, one groom may be allowed in the ring during the lineup in Driving and Youth Exhibitor Classes only, for the purpose of aiding, assisting and encouraging the exhibitor. The groom may not touch the horse below the knees, unless directed to do so by the Judge.

In Championship Classes horses may be stripped for conformation at the discretion of Judge or Show Management. Grooms will not touch the horse or tack below the knees unless directed to do so by the Judge. In Championship Classes, two grooms will be allowed.

No equipment shall be handed to an exhibitor across the rail once he or she enters the show ring. Violation of this rule results in immediate disqualification from the class.

Time-outs interrupt a show; therefore unauthorized time-outs will not be permitted. During the class, if a question arises, communication must be made through the ringmaster to the judge. An exhibitor desiring a time-out will ride to the center of the ring, remain mounted and request it of the Judge. The Judge will ascertain the reason for the time-out and either grant or deny the request.

After an exhibitor pulls in on the grass, he or she must obtain a time-out before dismounting. Failure to do so shall require the Judge to excuse the entry; the Judge has no discretion in this regard. Further, the entrance of a trainer or an assistant into the show ring before a time-out is granted shall require the Judge to excuse the entry. The sole exception to this Rule shall be a horse and/or exhibitor in immediate danger of injury in the opinion of the Judge.

If the Judge grants a time-out, horses on the rail will go at ease, and a groom or farrier will be ordered in as required. The exhibitor may then dismount. Exhibitors granted a time-out may not make adjustments to any equipment other than that for which the time-out was authorized except for such adjustments as they could make while mounted. Curb chains may not be adjusted at any time.
Exhibitors at ease on the rail during time-outs may make such adjustments as they can make while mounted, but assistance over the rail is not permitted; physical assistance (touching the horse) is not permitted and will result in the horse being excused. Curb chains may not be adjusted at any time.

If the Judge finds the reason for a time-out not valid, he or she must order the entry back to the rail immediately.

Time-outs may be granted by the Judge for replacement of shoes, replacement of broken equipment (e.g., partially thrown shoe), or in other instances where the Judge finds reasons. In any division, a shoe thrown in the ring must be presented immediately to the Judge & DQP for his inspection. If a violation is found, the horse is disqualified and a ticket is written by the Judge, who should retain the shoe and turn it over to the DQP. Time-outs for adjustments of equipment, such as curb chains or bridles are not allowed.

A total of ten minutes in aggregate shall be allowed for each entry for authorized time-outs, but no more than two time-outs per class per horse.

All time-outs will begin when justifiable reasons are acknowledged, except for the replacement of shoes, in which event the time-out shall begin the moment the farrier lifts up the horse's foot. Time will be allowed prior to the beginning of time-out for locating thrown shoe.

In the event a horse throws a shoe in the warm-up area after being inspected by the DQP, he or she may choose to have the shoe replaced by the show farrier after he or she enters the ring to show. He or she must be charged with a time-out, with normal time-out rules prevailing.

Workouts. All horses chosen for a workout must be worked both ways of the ring at each gait asked for by the Judge. A Judge shall not place any entry in a workout unless the entry has performed all required gaits both ways of the ring in the initial performance. Horses not making the good workout initially do not have to be worked both ways of the ring. Any Judge ignoring this rule shall have subjected himself/herself to disciplinary action by WHOA Executive Director and Judges Committee. Workouts shall be judged as a separate class. Exception: Equitation Classes

Falls. An exhibitor is considered to have fallen when he or she is separated from a horse that has not fallen in such a way as to necessitate remounting or vaulting into the saddle.

A horse is considered to have fallen when the shoulder and haunch on the same side have touched the ground.

The fall of a horse and/or exhibitor shall not disqualify the entry, unless due to bad manners of the horse or unless the safety of the exhibitor is threatened. Exception: In Equitation Classes, the fall of the exhibitor disqualifies the entry.

Unruly Horse. Horses being unruly, rearing up, balking, running off, or leaving the ring must be excused.

G. JUDGING SYSTEMS
1. Majority Opinion Three-Judge System.

Under the Majority Opinion System (M-O-S), all three Judges carry equal weight in the final class decision, and winners are placed by the best two out of three votes. Each horse is judged as if it were working individually and then compared with the performance of all other horses in the class who are judged on the same basis. All Judges place the same number of entries in each class, depending on class size. Ties are resolved by averaging the opinions of the three Judges.

Judges must work independently, with no discussion of any kind until the winners are announced. They should vary their judging positions and rotate around the ring. They should discuss and plan how to cover the ring and work classes before the show to avoid "cluster" judging. A suggestion would be to section the ring into three areas, which will give each Judge a separate but equal view of the rail with rotation of positions for each class.

b. Rotation.
Mark the Judges’ cards ahead of time with the rotation and indicate who will be Call Judge for each class. No referee is required since all ties are broken by a two-thirds majority vote.

c. Placings.
Mark the Judges’ cards ahead of time indicating how many entries should be placed. Three additional ties are recommended for each class. (Tie 11 horses in a class in which 8 horses receive awards. The Ringmaster should return an incompletely tied card to the Judge for correction before giving it to the Scorer(s).

d. Workouts.
Any Judge may request a workout in any class by communicating through the Ringmaster. The Judge making the request must state the numbers of those horses he wants called to the workout and for how many places they are to be worked. The Ringmaster relates this to the other Judges one at a time. A workout requires agreement by two of the three, or the positions must be filled without a workout. If a workout is agreed upon, the Ringmaster must ask the other Judges if they wish to add other horses to those being sent to the rail. The Ringmaster must be sure that all Judges know what horses are working to fill the places. To be included in a preliminary class workout, an entry must appear on two judges’ cards. An entry that does not receive two votes returns to the rail and may then be parked in by one judge. In a championship class, a horse that appears on only one judge’s card must be included in the workout. The Ringmaster must inform the Announcer of the workout request. Whenever horses are being called for a workout, the Announcer must call for them in numerical order.

e. Identical Tie for First Place.
When three numbers are circled on the same line and their vote counts are identical, it is an extremely rare three-way identical tie. When a three-way identical tie occurs for first place, a workout is optional. If the judge calls for a workout, the three horses involved shall be sent back to the rail. If a workout is not called for the class, the class will be tied by the fall of the Cards. If there has already been a workout, the Judges should be notified and given the option of going with Fall of the Cards or sending the horses back to the rail for additional work.

If the tie is still identical after the workout, the class is tied by the fall of the Cards. When the identical three-way tie is for second place or lower, the class is determined by fall of the Cards.

The number that is positioned first (not the circled line) on the Call Judge's card will be first (101). The second (102) and third (103) places are then determined by the Judges’ choices as their cards are placed in sequence. In the example shown above, if B was the Call Judge, then 102 would be first, C’s choice of 103 would be second and A’s choice of 101 would be third. If C were the Call Judge, then 103 would be first 101 would be second and 102 third.

2. **Mary Three-Judge System.**

Under the Mary Three-Judge System, the Call Judge is primary in placing the horses, and the Second Judge is secondary. The opinion of the Referee is considered only in so far as it agrees with that of either the Call Judge or Second Judge. If the Call Judge and Second Judge agree on a number, then the number that they have selected is the winner. If they do not agree, the Referee’s card is referred to, and, of the two numbers, the number highest on the Referee’s card receives the award. The card is scored this way until all the required ties are made.

a. In each class where three Judges are used, a Call Judge and a Referee shall be selected by lot by Show Management. The remaining Judge shall be the Second Judge.

b. The Call Judge shall direct the presentation of horses throughout the class.

c. The Referee shall tie all horses under consideration for final judgment but does not have to walk the line up.

d. In all workouts, two or more of the three judging officials may agree to limit the number of horses; each such official may select for the workout and no official may select more than the number agreed upon.

e. In all workouts in which the maximum number of horses allowed to be selected by any one official is less than the number of places to be tied, the only horses eligible for such workout are those selected by two or more of said officials.
f. All horses in a workout shall be placed consecutively insofar as the number of places will allow.

g. When pulling horses in from the trail for additional workouts, the Call Judge, the Second Judge and the Referee shall have equal authority.

3. **High-Low Olympic Judging System.**

Five judges working independently of each other will place each class. Judge number one will be the Call Judge. Points will be assigned to the placings on a one to ten basis with first place receiving ten points, second place receiving nine points, third placing receiving eight points, and so forth on down to one point for tenth place. The highest placing and the lowest placing are eliminated for each entry. The remaining three placings are totaled and the entry receiving the most points wins the class. In case of a tie, then all five placings are added. If still tied, then the first or Call Judge's card will break the tie. If a horse receives four or less placings, the top score is eliminated.

4. **Five-Judge System.**

Five judges working independently of each other rank the horses on a one through ten basis, assuming ten places are awarded. The scores of all five judges are used. Judges are assigned rank as Call Judge, Second Judge, Third Judge, Fourth Judge, and Fifth Judge. Each entry that receives a vote from the judges is awarded a point assignment on the basis of ten points for first place, nine points for second place, eight points for third place, etc. The results of all five judges are totaled and the entry receiving the highest score wins the class.

**Procedures for Breaking a Tie:**

a. Involving first place: In the event of a tie for first place, there is an automatic workout unless a workout has already been held. If there is still a tie after the workout, then the number placed highest on any of the judges’ cards is the winner.

b. Involving second through tenth places, either of the following procedures may be used to determine placement:

The judge's cards are placed in order of Call Judge, Second Judge, Third Judge, Fourth Judge, and Fifth Judge. The cards are read from left to right, top to bottom. The entry number involved in the tie that is placed highest on any of the judges’ cards is the winner. This method is used regardless of the number of entries involved in the tie.

In the event of a two-way tie, the horse that is placed highest on the majority of the five judges’ cards is the winning entry. If there is a two-way tie and neither number is on the majority of the judges’ cards, the horse that is placed highest on any of the judges’ cards is the winner. To determine this, the cards are placed in order of Call Judge, Second Judge, Third Judge, Fourth Judge and Fifth Judge. Starting with the Call Judge's card, they are read left to right, top to bottom. The entry number involved in the tie that is placed highest on any of the judges’ cards is the winner.
XI. VIOLATIONS AND PENALTIES

A. AFFECTED INDIVIDUALS, FIRMS, CORPORATIONS OR PARTNERSHIPS

The provisions of the WHOA Rule Book shall apply to all owners, exhibitors, agents, trainers, managers, show or sale officials, show or sale employees, members of the families or employees of the above, participating either individually, or as a member of an entity, or any person who acts in a manner in violation of the Rules of WHOA Rule Book, or is deemed prejudicial to its best interest, and therefore subject to penalty.

1. Any act at a WHOA affiliated/sponsored event, sale or exhibition in violation of the Rules by a member of the family or employee of a person participating in the show, sale or exhibition who is described in the previous sentence, may be deemed to have been committed by such person and subject him to penalty.

2. Any person, firm, corporation or partnership or any other entity granted any right, privilege, authorization, or license, or accepting any benefit from WHOA shall be deemed to have contractually agreed to fully cooperate with all duly appointed committees, agents and employees in enforcement of all Rules, regulations, and orders of WHOA.

3. Any person, firm, corporation, partnership, or other entity granted any right, privilege, authorization, or license, or accepting, receiving, or exercising the same, may be required to give evidence or testimony in any investigation, hearing, trial, or other proceeding held by duly appointed representatives of WHOA in connection with investigation of possible violation and enforcement of these Rules.

4. Any violations and penalties shall apply equally to all WHOA affiliated/sponsored events.

5. Any violation of WHOA Rules that does not result in a complaint being filed within 12 months of the date of the commission of the violation shall forever be barred from proceedings by WHOA.

B. VIOLATIONS

A violation is any act committed at an affiliated/sponsored event, prejudicial to the best interest of WHOA, including but not limited to:

- Violation of the Rules of WHOA Rule Book
- Disqualification by a show
- The following specific acts:
  
  a. Providing false information of any nature or kind to any show or sale official.

  b. Acting or inciting or permitting any other to act in a manner contrary to the Rules of WHOA, or in a manner deemed improper, unethical, dishonest, unsportsmanlike or intemperate, or prejudicial to the best interest of WHOA.
c. Committing any act or making any remark considered offensive and/or having been made with intent to influence or cast aspersions on the judging.

d. Failing, as a Judge, to perform duties at a show in accordance with the Rules.

e. Failing, as an exhibitor or his representative, to sign the entry blank of a show in which he competes.

f. Physically assaulting any show, sale or WHOA official.

g. Inhumane Treatment. Treating any horse in an inhumane manner. This prohibition against inhumane treatment applies to WHOA members and nonmembers. Inhumane treatment to horses other than Tennessee Walking Horses and other animals used in competition is included in this prohibition as it indicates a general course of dealing with horses that is unacceptable to WHOA. For purposes of this rule, a person responsible for the care of a horse is also responsible for and may be disciplined for the inhumane conduct of their trainers, agents, representatives and employees. For violation of this rule, an individual may be disciplined, suspended, fined, denied WHOA privileges, disqualified, expelled from show grounds and/or expelled from WHOA. Inhumane treatment of any horse or any other animal on show grounds is strictly prohibited. Treatment of any horse will be considered inhumane if a person, educated or experienced in accepted equine training techniques, would perceive the conduct of an individual to be inhumane.

h. Failing to obey any penalty imposed by WHOA.

i. Influencing or attempting to influence by any means or manner any Judge in determining which horse shall win in any class at any affiliated/sponsored event.

j. Pressure Shoeing. Shoeing a horse, or trimming a horse's hoof in a manner that will cause such horse to suffer, or can reasonably be expected to cause such horse to suffer pain or distress, inflammation, or lameness when walking, trotting or otherwise moving.

k. Verbal or physical abuse directed to anyone representing WHOA, Show or Sale Management, Judges, DQP, Director of Animal Welfare/DQP Service Coordinators, USDA, Employees or Directors, while functioning in any official capacity at, or pertaining to, any horse show, sale, or exhibition

m. Misrepresentation of a horse's identity, name, height, age, eligibility for the class, registered or recorded name, registration number, owner of record, or other information on any entry blank, or substitution in the show ring of any entry other than the one named for the class in question. This shall result in the exhibitor's forfeiture of any ribbon, trophy, cash prize and other award won by such misrepresented or substituted animal, and shall render the exhibitor liable for further penalty. The class will be re-tied.
n. Voluntarily removing a horse from the ring without the permission of a judge, for which the exhibitor and all animals under his care and training may be disqualified from all future classes at that show by Show Management and caused to forfeit all prizes and entry fees for the entire show.

IMPORTANT: WHOA may honor all suspensions with all USDA certified HIO’s.

C. PENALTIES
Any person found guilty of a violation of the WHOA Rules may be subject to the following:

1. Expulsion: Expulsion from all WHOA Affiliated/Sponsored Events and/or WHOA membership.

2. Forfeiture: Forfeiture of awards, trophies, ribbons and prize money won in connection with the offense committed.

3. Revocation: Revocation of a Judge’s license or Trainer’s professional card.

XII. PROTESTS, COMPLAINTS, VIOLATIONS AND HEARINGS

Whenever any person, firm or corporation, hereinafter called and referred to as the complainant, believes that his, her or its rights have been infringed upon, or that another person, firm or corporation, hereinafter referred to as the accused, has violated the rules and regulations of WHOA, the following procedures shall be followed:

A. DEFINITIONS
Terms shall have, in descending rank of preference, such meaning as defined herein, such meaning as defined elsewhere in WHOA Rule Book, as amended from time to time, such meaning as the context or usual and customary usage would dictate, or such meaning as established by the most recent edition of Webster’s Dictionary. Except as may be clearly indicated to the contrary, the following terms shall be defined as follows:

1. “Complainant” shall mean the individual or entity that initiates or causes to be initiated a proceeding.

2. “Complaint” shall mean the document, ticket, or writing the filing of which results in the initiation of a proceeding.

4. “File or Filing”, unless the context clearly indicates to the contrary, shall mean the depositing of any document, writing, ticket, paper, letter or request, required or authorized by these rules of proceeding, in the main office of WHOA as the same may be established from time to time.

5. “Hearing” shall mean that portion of the proceeding wherein evidence is taken before the Hearing Committee.

6. “Hearing Committee” shall mean those individuals qualified and selected to decide the issues in a hearing.

7. “Hearing Officer” shall mean an individual, qualified to practice law in the jurisdiction in which the hearing is to take place, a sitting Judge or Justice of any Court in that jurisdiction, or a retired Judge or Justice previously sitting in that jurisdiction, employed by WHOA solely to preside over a hearing before the Hearing Committee and to rule on evidentiary and procedural questions.

8. “WHOA Rule Book” shall mean this Rule Book, as adopted by WHOA and as amended from time to time.

9. “Probable Cause” shall mean a common sense determination of only a fair probability of an occurrence and is a much lesser standard than that necessary to find that a Complaint is founded.

10. “Respondent” shall mean the individual against whom a proceeding is initiated.

11. “Rules” shall mean these Rules of Selection, Procedure, and Evidence.

12. “Staff” shall mean any employee of, agent of, or counsel for WHOA, and any law enforcement officer or individual consulted by WHOA or the Hearing Committee.

13. “Ticket” shall mean that document delineating a violation as determined by a DQP (Designated Qualified Person).

B. SHOW MANAGEMENT JURISDICTION AND PROCEEDINGS

1. General.

Violations of rules pertaining to the following matters shall be subject to the jurisdiction of Show Management as hereinafter provided.

The exhibiting of any horse in a class which said horse or exhibitor is ineligible to participate or compete in.

The exhibiting of any horse which is shod in a manner found to be in violation of these rules.
It is mandatory that any complaint or protest regarding the measurement of a horse be heard by the WHOA Executive Director or Show Management at an affiliated or sponsored event.

2. **Show Management Complaint Procedures.**

   a. If a complainant has reason to believe that an accused has violated any of the foregoing rules and wishes that matter investigated, he or she must file a written statement with Show Management stating the following:
      - The name and number of the exhibitor and horse.
      - The class in which the horse was exhibited.
      - The rule that the complainant believes was violated.
      - The manner in which the rule was violated.
      - The name and address of the complainant.

   b. The complainant shall submit his or her written statement to Show Management, along with the appropriate fee before the completion of the final class of the show. If the complaint concerns an infraction in the last class, the complainant shall immediately notify Show Management that he or she intends to file a complaint and he or she shall have thirty (30) minutes thereafter to submit said written statement the day of the show.

   c. Show Management shall then take such steps as it deems necessary to make a determination of the matter and shall render a decision as quickly as possible.

   d. If the decision of Show Management is in the favor of the complainant, the fee paid shall be returned to the complainant. Show Management shall also order the accused disqualified and to forfeit any prizes or money which the accused may have received. The class will be retied. If only one judge was used in the class, then he or she shall immediately tie one more exhibitor for last place. If more than one judge was used in the class, all scores or selections by the judges for the offending horse are taken out and the judges’ cards are recalculated to re-tie the class.

   e. If either the complainant or the accused objects to the decision of Show Management, an appeal may be taken to the full WHOA.

   f. After making its decision, Show Management shall cause a written report to be filed with WHOA. The report shall contain a short statement of the procedure followed by Show Management in the handling of the matter and a finding of facts, and the decision arrived at. Said report shall be filed whether or not an appeal is taken.
g. If the decision of Show Management is appealed, WHOA shall hear the matter at its next regularly scheduled meeting, or at some later meeting if it determines that more time is needed. WHOA shall hear the matter on the written statement and findings of facts filed by Show Management and determine if the decision arrived at was proper, based on the facts found by Show Management. If the written findings of facts submitted by Show Management are incomplete or unclear, WHOA may continue the matter and ask Show Management to submit additional findings of facts.

h. Any exhibitor who fails to return any prize or money ordered forfeited by Show Management shall be disqualified from showing until said order is obeyed, unless an appeal is taken to WHOA.

3. Decisions Not Subject to Protest.

a. The soundness of a horse or toe length, when determined by an official veterinarian or DQP of the show or by a Judge, is not subject to Protest during the present show or event.

b. A Judge's decision, representing his or her individual preference, is not subject to Protest unless it is alleged to be in violation of the Rules.

c. A Protest with respect to the height of a horse may be made only to the Show Committee. Re-measurement shall take place immediately, to the end that there shall be no change in height by re-shoeing. The decision of Show Officials shall not be reviewable by WHOA.

C. WHOA HEARING COMMITTEE AND PROCEEDINGS

The Hearing Committee shall be responsible for conducting hearings that may come before it in connection with violations of the rules and regulations of WHOA. The Hearing Committee shall have such other duties and responsibilities as may be set forth in these rules, and as prescribed by WHOA. Violations of rules or regulations of WHOA not expressly delegated to Show Management shall be subject to the jurisdiction of the Hearing Committee as hereinafter provided.

1. Initiation of Disciplinary Proceedings.

a. Whenever any interested individual, or entity, (the “Complainant”) shall believe that a rule and/or regulation contained in WHOA Rule Book has been violated and desires to initiate a disciplinary proceeding, such individual, or entity, shall file in the office of WHOA a written statement (the “Complaint”) specifically setting forth the allegation(s) of violation(s), and for each alleged violation, the Rule or portion thereof alleged to have been violated and the manner in which it was violated, including, if available, dates, times, and places.
b. The Complaint shall set forth the name of the alleged violator (the “Respondent”) and the address, if known, and the name and address of the Complainant. It shall be sworn to and executed before an individual authorized in the Complainant’s jurisdiction to administer oaths. The Complaint shall be accompanied by a non-refundable administrative fee established by WHOA.

c. The Executive Director of WHOA and the Judges Committee shall investigate complaints and/or violations relating to judges, including, but not limited to, their conflicts, conduct, methods, ability, and/or integrity.

If after concluding the investigation, the Director finds insufficient evidence to support the complaint or violation, the Director shall issue a written finding and so notify the complaining individual or entity.

If after concluding the investigation, the Director finds sufficient evidence to believe the complaint or violation to be substantiated, the Director shall issue a written finding and penalty, if any, in accordance with WHOA Rule Book.

The written finding and/or penalty of the Director shall become final unless the individual or entity aggrieved by the decision appeals to the Hearing Committee. In order to perfect an appeal, the individual or entity must file with the Secretary-Treasurer a written request for an appeal hearing and post the appropriate non-refundable administrative fee, within twenty (20) days of the written decision of the Director. If the aggrieved party is WHOA or an agent thereof, the fee shall be waived. Upon compliance with the foregoing, the Director’s decision shall be stayed until the Hearing Committee rules on the matter. Complaints or violations without specified penalties in WHOA Rule Book shall be subject to determination by the Hearing Committee without any administrative fee.

d. WHOA Executive Director and the Hearing Committee shall review all complaints and/or violations brought to or by WHOA not encompassed by those to be investigated by the Director of Animal Welfare/DQP Services or Judges Committee and Horse Shows.

If after concluding the investigation, WHOA Executive Director finds insufficient evidence to support the complaint or violation, the Director shall issue a written finding and so notify the complaining individual or entity.

If after concluding the investigation, WHOA Executive Director finds sufficient evidence to believe the complaint or violation to be substantiated, the Director shall issue a written finding and penalty, if any, in accordance with WHOA Rule Book.
The written finding and/or penalty of WHOA Executive Director shall become final unless the individual or entity aggrieved by the decision appeals to the Hearing Committee. In order to perfect an appeal, the individual or entity must file with the Secretary-Treasurer a written request for an appeal hearing and post the appropriate non-refundable administrative fee, within twenty (20) days of the written decision of WHOA Executive Director. If the aggrieved party is WHOA or an agent thereof, the fee shall be waived. Upon compliance with the foregoing, WHOA Executive Director’s decision shall be stayed until the Hearing Committee rules on the matter. Complaints or violations without specified penalties in WHOA Rule Book shall be subject to determination by the Hearing Committee without any administrative fee.

e. Upon receipt of a Complaint meeting the requirements set forth in (a) and (b) a complaint or a violation as set forth in (c), (d), the WHOA Executive Director shall schedule the time, date, and place for a hearing. The date shall not be less than thirty (30) days, nor more than sixty (60) days from the receipt of the Complaint or appeal. However, notwithstanding the foregoing, if WHOA Executive Director determines the Complaint or appeal to be of such severity and/or significance to WHOA or the horse industry that it should be heard expeditiously, a sooner date may be set, which date shall not be less than fifteen (15) days thereafter without the consent of the Complainant and Respondent.

f. Notice of the hearing shall be provided to the Complainant and the Respondent, in writing, by certified mail addressed to the last known address of each. When the same has been deposited in the United States mail, notice shall be considered delivered and served. In addition to the time, date, and place of the hearing, the notice shall contain a concise statement of the nature of the alleged violation and the Rule violated with information sufficient for the Respondent’s preparation for the hearing. If the Respondent is reasonably unable to determine the full nature of the allegation from the notice, the Respondent may, within ten (10) days of the actual receipt of notice, request particulars. To the extent that staff may possess such information, it shall provide it to the Respondent forthwith.

g. A continuance may be granted to the Complainant or the Respondent for a period not to exceed forty-five (45) days, upon good cause shown, in writing, submitted within fifteen (15) days of the receipt of the notice, and in the sole discretion of WHOA Executive Director.

2. Hearing Committee Selection.

WHOA shall establish a Hearing Committee. The Hearing Committee shall be comprised of three (3) individuals. This Committee shall be selected by WHOA Executive Director on a random basis from a master list of individuals qualified and expressing a willingness to serve in response to an open invitation, in accordance with adopted rules and procedures, and may change from one hearing to another at the discretion of WHOA Executive Director.
The Hearing Committee shall meet for the purpose of hearing protests, complaints and/or violations brought to or by WHOA in accordance with its written policies and procedures. The three (3) members of the Hearing Committee shall function in accordance with a written policy that outlines its duties and responsibilities.

3. Hearing Procedures.

a. At all times of the hearing, the Complainant and the Respondent shall have the right to represent themselves or be represented by counsel of their own choosing. Both shall have the right to be present during the hearing, the right to confront those witnesses against those who are present, the right to cross-examine witnesses against those who are present, the right to present witnesses, the right to present relevant evidence, and the right to testify in their own behalf.

b. The hearing shall be recorded by a Court Reporter if needed.

c. The Hearing Officer, if any, retained by WHOA shall preside over the hearing, and, unless expressly stated otherwise herein, shall rule on evidentiary questions and on procedural questions. Unless amended or altered in any manner deemed appropriate at the discretion of the Hearing Officer and with the consent of the Complainant and Respondent, the hearing shall be conducted in the following manner and order.

Opening statement by the Complainant or Complainant’s counsel outlining the nature of the Complaint, ticket or violation and each WHOA Rule Book rule alleged to be violated.

Opening statement by the Respondent or Respondent’s counsel.

Presentation of evidence and individual witnesses by the Complainant or Complainant’s counsel, cross-examination by the Respondent or Respondent’s counsel, and questions by the Hearing Committee, if any.

Presentation of evidence and individual witnesses by the Respondent or Respondent’s counsel, cross-examination by the Complainant or Complainant’s counsel, and questions by the Hearing Committee, if any.

Rebuttal evidence and individual witnesses by the Complainant or Complainant’s counsel, cross-examination by the Respondent or Respondent’s counsel, and questions by the Hearing Committee, if any.

Closing statement by the Complainant or Complainant’s counsel, summarizing the evidence presented in support of the Complaint, ticket or violation.

Closing statement by the Respondent or Respondent’s counsel, summarizing the evidence presented by or on behalf of the Respondent.

Rebuttal statement by the Complainant or Complainant’s counsel.
d. Following the presentation of evidence, the Hearing Committee shall deliberate in private until reaching a majority decision. The Committee shall either find the Complaint, ticket or violation unfounded and dismiss it, or it shall find the Complaint, ticket or violation founded and determine an appropriate penalty within the guidelines of WHOA Rule Book. Upon reaching a decision, the Complainant and Respondent shall be summoned and the finding announced in person, to be followed by a written finding within ten (10) days thereafter. The finding of the Hearing Committee shall be effective the date and time it is announced.

4. Evidence.

a. The presentation of evidence at the hearing shall not be required to conform to the formalities of the Federal Rules of Evidence, the codified Rules of Evidence of Tennessee or any other state, or the rules of evidence as established by case law in Tennessee or any other state. Instead, to be admissible at the hearing, evidence shall be required to be relevant, probative, reliable, substantial, and of such nature as is usually relied upon by reasonable persons of reasonable caution in making judgments in regard to important decisions.

b. The evidence of each witness shall be in person, under oath or affirmation, allowing all parties the opportunity to fully examine that witness. Upon good cause shown, the Hearing Officer may excuse the required presence of a witness and admit the witness’s affidavit, provided that the evidence contained therein is otherwise admissible and, on its face, the affidavit provides sufficient indicia of the foundation for the testimony contained therein and the reliability thereof, and neither the case in support of the Complainant nor of the Respondent would be unduly prejudiced by such admission.

c. Original documentary evidence shall be admitted. Copies of documentary evidence shall be admitted if certified and accompanied by a sworn statement of the custodian of such documentary evidence that such individual is the custodian, the copy is a true copy, and that the original remains in their custody or was in their custody and has been destroyed in the regular course of business.

d. Hearsay may be admitted if the Hearing Officer determines that the hearsay is relevant, probative, substantial, reliable and of such trustworthiness as to be usually relied upon by reasonable persons of reasonable caution in making judgments in regard to important decisions.

e. Statements attributable to the Complainant or the Respondent shall be admissible by the adverse party.

f. If sufficiently credible evidence is that the Complainant or the Respondent previously made a statement inconsistent with the testimony at the hearing, that previous statement may be considered as evidence that what the Complainant or Respondent previously said was true.
g. If sufficiently credible evidence is that a witness previously made a statement inconsistent with the testimony at the hearing, the only purpose for which the previous statement may be considered is its bearing on the credibility of the witness and not as evidence that what the witness previously said was true.

h. The Hearing Committee may consider proof of the Respondent’s prior conviction of a felony or a crime involving moral turpitude as affecting his or her credibility, but it shall not be considered as evidence of the alleged violation contained in the Complaint, the ticket or the violation which is the subject matter of the hearing.

i. The Hearing Committee may consider proof of a witness’ prior conviction of a felony or crime involving moral turpitude as affecting his or her credibility.

j. The only evidence of a witnesses’ character that the Hearing Committee may consider is evidence of the witnesses' general reputation for truth and veracity and not evidence of any specific acts.

k. The Hearing Committee may consider evidence that the Respondent committed violations other than the violation for which he or she appears at the hearing only as evidence of the Respondent’s motive; as evidence of the Respondent’s intent; as evidence of the Respondent’s scheme or plan; as evidence of the Respondent’s knowledge; as evidence of the Respondent’s conduct and feelings toward the Complainant and relations between them; as evidence of the Respondent’s malice; as evidence of the Respondent’s opportunity; as evidence of the absence of mistake or accident on the part of the Respondent; as evidence to negate the defense that the Respondent was merely an innocent bystander; as evidence of the unique nature of the method of committing the alleged violation in connection with the violation for which he appears at the hearing and for no other purpose.

l. Expert testimony may be admitted and in considering the weight to be given to the testimony of an expert witness, the Hearing Committee shall consider the basis for his opinion and the manner by which he or she arrived at it and the underlying facts and data upon which he or she relied. The Committee shall not consider the expert testimony as conclusive, but shall consider it as part of the evidence and give it such weight as they deem appropriate.

m. If the Hearing Committee believes that a party, without explanation, failed to call an available witness who has knowledge of necessary and material facts, the Hearing Committee may presume that witness’s testimony would have been unfavorable to the party who failed to call the witness.
n. The Hearing Committee shall be the judges of the Rules, the facts, the credibility of the witnesses, and the weight of the evidence. The Hearing Committee may consider the appearance and manner of the witnesses while testifying, their intelligence, their opportunity for knowing the truth and for having observed the matters about which they testified, their interest in the outcome of the case, their bias, and, if any have been shown, their prior inconsistent statements, or whether they have knowingly testified untruthfully as to any material fact in the hearing. The Hearing Committee shall not arbitrarily disregard believable testimony of a witness. However, after having considered all the evidence in the hearing, then the Committee may accept or discard all or part of the testimony of a witness as it deems proper.

o. The Hearing Committee shall use their common sense in judging any testimony. From these things and all the other circumstances of the hearing, the Hearing Committee may determine which witnesses are more believable and weigh their testimony accordingly.

p. It is not necessary that each element of the Complaint, ticket or violation be proved by direct evidence, for an element may also be proved by circumstantial evidence. The Hearing Committee may find a Complaint, ticket or violation founded on circumstantial evidence alone, or on circumstantial evidence combined with other evidence, if the Hearing Committee believes from all the evidence that the Complaint, ticket or violation is founded.

q. The burden shall be upon the Complainant to prove the Complaint, ticket or violation by a preponderance of evidence, otherwise known as the greater weight of all the evidence. It is that evidence which the Hearing Committee finds more persuasive. The testimony of one witness whom the Hearing Committee believes can be the greater weight of evidence.

r. Members of the Hearing Committee shall not consider the opening and closing statements of counsel as evidence. Opening and closing statements of counsel are merely counsel's view of the evidence and argument as to how they want the Hearing Committee to view and rule on the evidence. The Hearing Committee should only consider as evidence the sworn testimony of witnesses and any documentary, visual, or auditory evidence admitted by the Hearing Officer.

5. Penalties.
Upon finding that a Complaint, ticket or violation is founded, the Hearing Committee shall determine the appropriate penalty. The range of penalty shall be as set forth in WHOA Rule Book. In determining the appropriate penalty, the Hearing Committee shall consider the following:

a. The degree of the Respondent's culpability;

b. The number, manner, and severity of the violation(s);

c. The Respondent's prior record of violations, if any, in comparison to the Respondent's tenure; and
d. Any mitigating circumstances that may be presented at the hearing.

6. Default Judgments.
If the respondent fails to appear at a hearing that he or she has requested, the Committee shall enter a default judgment and assess appropriate penalties for both the underlying violation and the cost to WHOA of the respondent’s unexcused absence.

7. Re-Hearings and Appeals.

a. Within ten (10) days of the Hearing Committee’s announcement of its findings in regard to a Complaint or violation the Complainant or the Respondent may file a written request for a re-hearing based on newly discovered evidence that was not reasonable discoverable prior thereto and which, if found to be credible by the Hearing Committee, would materially affect the outcome of the hearing.

b. The Hearing Officer shall review the request within five (5) days of its filing and shall determine whether or not to grant a re-hearing. If the Hearing Officer grants a re-hearing, the proceeding will commence anew as if the original Complaint, ticket or violation were submitted on the date of the grant of the re-hearing. If the Hearing Officer denies the re-hearing, such denial shall be final and the pending of the request for a re-hearing shall not toll the running of the time in which to perfect an appeal.

c. Any party aggrieved by a decision of the Hearing Committee may appeal to WHOA Board of Directors by filing with the Secretary-Treasurer a written request for an appeal, posting the appropriate non-refundable administrative fee, and filing twelve (12) copies of the transcript from the hearing, all within twenty (20) days of the decision. The aggrieved party will be responsible for the cost of the transcript. If the aggrieved party is WHOA or agent thereof, or horse show management, then the fee shall be waived and WHOA shall pay the costs of the transcript. Upon complying with the foregoing, the Hearing Committee decision shall be stayed until WHOA Board of Directors reviews the transcript. The Board shall review the transcript within sixty (60) days of the proper filing of the appeal. WHOA Board of Directors may reverse the Hearing Committee upon the finding by more than eighty-five percent (85%) of the entire Board that the transcript lacks substantial evidence to support the finding of the Hearing Committee.

d. WHOA Board will not hear interlocutory appeals.

8. Confidentiality.
a. From the moment a Complaint is filed in WHOA office, or information in regard to a potential Rule violation is provided to staff, all information in regard to the Complaint or information, including, but not limited to, the names of the Complainant and the Respondent, the nature of the alleged violation, and the evidence and information developed in relation thereto, shall be held in strict confidence by staff, except when presenting evidence at the hearing, if any.

b. If, upon presentation of a Complaint, or violation and evidence at a hearing, the Hearing Committee shall find the Complaint, or violation to be unfounded, the confidentiality shall be held inviolate, except for the written notice of that finding as required to be directed to the Complainant and Respondent. If, upon presentation of a Complaint, or violation and evidence at a hearing, the Hearing Committee shall find the Complaint, ticket or violation to be founded, the Hearing Committee shall hold all information in regard to the Complaint, or violation in strict confidence except that the finding and punishment, if any, shall be released.

c. Nothing contained herein shall preclude the staff from disseminating and discussing the Complaint, or violation with any law enforcement officer, attorney consulted by staff or any individual engaged or employed by any of the foregoing. However, such information as discussed and disseminated shall be held in confidence by the receiving individual in compliance with these Rules.

d. The hearing shall be open to the public, including the announcement of the finding and penalty as the case may be. The deliberations of the Hearing Committee shall be in private and in confidence, and such confidentiality shall be held inviolate.

e. Any staff member found by the Hearing Committee to be knowingly and willingly in violation of the foregoing, upon the filing of a Complaint and by the procedure as set forth in these Rules shall be dismissed. A member of the Hearing Committee found to be knowingly and willingly in violation of the foregoing, upon the filing of a Complaint and by the procedure as set forth in these Rules, shall be excluded from participating on the Hearing Committee at any time in the future.

a. No individual shall have any ex-parte communication with any member of the Hearing Committee in regard to a pending Complaint, or violation except as may be necessary by staff in order to comply with these Rules.

b. A staff member found to be knowingly and willingly in violation of the foregoing rule, upon the filing of a Complaint and by the procedure as set forth in these Rules, shall be terminated.
c. Any non-staff or non-member individual found to be knowingly and willingly in violation of the foregoing, upon the filing of a Complaint and by the procedure as set forth in these Rules, shall be suspended from participating in any WHOA affiliated horse show, exhibition, or sale for a period of not less than two (2) years and not more than ten (10) years.

d. Any individual member of the Hearing Committee found to have knowingly and willingly participated in any ex-parte communication, upon the filing of a Complaint and by procedure as set forth in these Rules, shall be precluded from participating on the Hearing Committee at any time in the future.

Unless the context clearly indicates to the contrary, the use of one gender shall include all genders and the use of the singular shall include the plural (and vice versa).

XIII. SHOW MANAGEMENT, OFFICIALS AND EMPLOYEES

The sponsoring organization of a show, sale or exhibition or the governing body in charge, shall be responsible for the operation of the show, sale or exhibition. The sponsoring organization/governing body will be responsible for the appointment of a show manager who will be responsible for the running of the show, sale or exhibition who must also be available at all times during the show, sale or exhibition to act in executive capacity.

A. DUTIES OF SHOW, SALE OR EXHIBITION MANAGEMENT

It shall be the duty of the show, sale or exhibition management to enforce all the Rules of WHOA from the time entries are admitted to the show grounds until their departure. In particular, it shall be their duty:

1. To use a DQP assigned by WHOA HIO or any other USDA certified HIO.

2. To see that horses required to be measured shall be correctly measured according to the Rules.

3. To order the measurement of any horse whose height is protested by an exhibitor. Such measurement shall take place immediately, to the end that there be no change by re-shoeing. The decision of Show Management may be reviewable by WHOA. If the DQP feels that an injustice is done at a show, he or she shall report the same to WHOA.

4. To eliminate, without waiting for a protest to be made, any entry that is known to be ineligible.
5. To receive and act upon Protests in accordance with the Rules, and to report whatever action is taken to WHOA. In the event that a person participating at a show shall commit an offense or violation described in the Rules, Show Management may, at his or her discretion, disqualify that person from further participation in their show only. Any such offense shall be reported to WHOA for whatever further action is deemed necessary.

7. To obtain, if necessary, the Guest cards for Judges.

8. To provide a telephone at shows where horses are stabled overnight.

10. To provide all necessary physical facilities to accommodate the show, sale or exhibition including an area set aside for the inspection of horses by DQP’s and a pre show warm up area. Also, management must provide the necessary personnel for the DQP to carry out his or her duties.

11. To accept responsibility to insure that all Rules, regulations and procedures stated in this Rule Book are followed.

12. To abide by all decisions made by a Judge or DQP, and in no way attempt to influence a Judge’s, or DQP’s, decision or his or her procedure.

13. All substances are prohibited on the pastern area of any Flat Shod horse being shown or exhibited at any WHOA event.

14. To cooperate in whatever way requested with WHOA or USDA.

15. To fulfill the obligations of any WHOA event as set forth in this Rule Book.

17. To take steps to insure the personal safety of all officials representing WHOA.

18. To keep exhibitors and trainers informed of all changes in the printed program.

19. To insure that no manager or DQP serves as a Judge or DQP at his or her own show.

20. To insure that no Show Manager, DQP, Judge, Announcer or competes in a show at which they are participating in an official capacity, nor shall any horse owned by any of the above be shown at such show. Exception: An Announcer or Ringmaster may show prior to working in an official capacity as Announcer or Ringmaster.

21. To disqualify any exhibitor and his or her entries if there is just cause and to rule that he or she forfeit winnings and ribbons at that show, and, if necessary, to have the horses of such exhibitor removed from the grounds without being held liable for damage. All such actions must be reported to WHOA.
22. To recommend that judges cards, or copies thereof, be posted in a conspicuous place during the show, at multi-day show.

B. DUTIES OF SHOW SECRETARY

1. The Secretary shall apply annually to WHOA for affiliation. WHOA may withhold affiliation of a show if said show has indebtedness to WHOA.

2. The Secretary must furnish a copy of the prize list to WHOA immediately upon publication. (It is suggested that extra copies be forwarded to WHOA due to the many inquiries received for copies of prize lists.)

3. The Secretary should furnish the DQP with the following:
   a. Class sheets on each class that is to be inspected.
   b. Copy of prize list and/or Program.

4. The Secretary of each affiliated show shall have a copy of the current WHOA Rule Book available for reference at all times during the show.

5. The Secretary shall report in writing to WHOA any act on the part of any person deemed prejudicial to the best interests of WHOA. Matters to be so reported include removal by an exhibitor of his horses from the show grounds, or withdrawal from the show after it has commenced, without permission.

6. The Secretary shall furnish the Judge in each class a card corresponding exactly with the specifications as shown in the Prize List, or amended if in conflict with the Rule Book.

7. The Secretary shall provide a number card for each entry, which shall be worn on the exhibitor’s back; clearly visible to the judge at all times when in competition.
